We are approaching a tumultuous, but exciting, [Head of the Year](#). At the "Head" or start of the Hebraic year, we have access to fresh revelation for the coming year. In this season of "seeing and watching," the power of knowing who you are will become very important! How you express your faith in the midst of the tremendous conflicting interchange between Heaven and Earth will become a major issue, in the advancement of the Kingdom of God. We are completing a season of our path leading us through a new door.

In the Hebraic Year 5775, the sound of Heaven permeates your new land. The year ahead looks like a whirlwind. The whirlwind will release seeds to sow for your future. Doors will be blown off storehouses where seeds of our future have been locked up. Come and celebrate with us on **September 25-28** when we embrace the sound of the whirlwind of heaven, and unlock the seeds for our future.

We have an incredible team of ministers to help us gain access to revelation to set our course for the year ahead, including:

Cindy Jacobs

Dutch Sheets

Kent and Bev Mattox

Micah Stampley

Norma Sarvis

*Paul Keith
