

Watch TBN Tonight!
This Sunday: New Oil for YOUR Lamp!
The Lampstand Must Burn Brightly!

August 30, 2012

Dear Feasting Saints:

Thank you so much for praying for our gathering last night in San Diego. Amazing worship and prophecy! You can go to the Prophecy Center link at gloryofzion.org, for a recap!

I am presently in Orange County, preparing for a *Praise the Lord* taping with Apostle Greg Dickow. Please pray for a release of revelation which will bring an agreement between Heaven and Earth. In addition to praying for this taping, many of you may want to watch this *Praise the Lord* broadcast which should air tonight at 7 PM (Pacific Daylight Time). Go to www.TBN.org for information on local listings and availability, as well as to watch by web streaming. Mr. T will also be at the studio tonight – so look for a TBN Taping blowout!

Tomorrow morning I fly on to Everett (Seattle), Washington to join Dutch Sheets for the [Northwest Regional Gathering](#) at Sonrise Chapel, with Apostle Dan Hammer. Continue to declare that the Lord's glory will break forth all the way up the West Coast!

This Sunday at the Global Spheres Center (September 2, 2012)

I am looking forward to another powerful gathering this Sunday morning at the Global Spheres Center. Each week our services continue to change the atmosphere, as we press towards the completion of this “year of the house.” **Robert Heidler** will be ministering this Sunday on ***“New Oil for Your Lamp ! The Lampstand Must Burn Brightly! Angels, Apostolic Centers, and the Spirit!”*** If you are not able to join us, you can watch the webcast replay through next Wednesday evening.

Find Your Oasis!

For more than a week, I've been hearing the Lord speak that in this year of drought there is an **oasis**. Last Sunday, I exhorted us to turn to one another and confess “I have an oasis in the midst of my drought” and to decree that we would find and drink from our oasis this week. I also told those joining us by webcast to decree, “I will commune with the Lord in my wilderness desert until the oasis forms before me.” The Lord was reminding us, **“In your desert, I can form the oasis!”**

As we pondered this word about an oasis forming in our desert, I remembered what the Lord began to share with us just over a year ago on August 12, 2011. When I ministered at the “Fighting For Your Prophetic Promises” conference hosted by Barbara Wentroble, I received prophetic words from Cindy Jacobs and Sam Brassfield. They had no idea that I had been visiting that same day with Robert Heidler and meditating in the Israel Prayer Garden to ask the

Lord what He longed to develop here. Cindy, Sam and Robert all confirmed the Lord's desire to establish the Global Spheres Center as an oasis for the nations to gather into. That is why we often refer to the GSC as "An Oasis for the Nations" and continue to cry out for this manifestation.

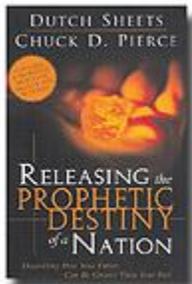

Through two Texas summers plagued by drought, we have seen the Lord pour out His Spirit here. We've seen the weather patterns shift and rain refresh this land. We've seen the Israel Prayer Garden begin to blossom and bear fruit. We've seen a desolate building take new shape and function. And we've seen an acceleration of His plans and purposes with an atmosphere being developed for miracles. We are a living example of an oasis forming in a wilderness place. Just as the Lord did for us here, I decree that you will continue seeking for and communing with the King in the field until your oasis forms before you! Stop and declare, "I have an oasis in the midst of my drought!"

Blessings,
Chuck D. Pierce

Releasing the Prophetic Destiny of a Nation: Discovering How Your Future Can Be Greater Than Your Past will help you understand God's plan of fullness for the United States of America. Dutch Sheets and I responded to God's burden to travel to every state of the Union to prophesy God's will, connect with past history, and release the redemptive future of each state. Can a nation really shift? When you read this book, you will find the answer is a definite YES! This is a must read for any leader or prayer warrior! *Releasing the Prophetic Destiny of a Nation* releases key messages related to the Church and its influence on the destiny of this nation.
