Dear Advancing Ones:

The temps have now topped 100 here in north central Texas, but that doesn't mean it's time for a siesta just yet! We wanted to be sure you had access to key resources that will help you continue advancing this summer, and as we press toward Head of the Year 5776. So through August 17, we have several **"3 for \$20" Super Specials** for you:

[Any 3 of our GZI CDs for only \\$20!!!](#) We have never offered this special before, but wanted to be sure you could purchase the songs and sounds that will help you worship your way through the month of Av. This is also a great opportunity to share a fresh sound with others who need to be stirred for breakthrough.

[Any 3 of the books by Robert Heidler or myself for only \\$20!!!](#) Again, we have never offered this special before, and you are essentially getting one book free. So get what you need today!

We will also extend a special to any 3 books by other authors for \$30. You will need to call our office at 1-888-965-1099 or 1-940-382-7231 for this 3 books for \$30 special, since that is not listed on our webstore.

Get what you need so you can press through your narrow place and into the open place that awaits you! Visit our [webstore](#) for a complete list of all of our resources! These specials are good through August 17, 2015.

Don't Stop Pressing Forward! Daily Encouragement Each Day on Facebook!

Also, be sure to visit our Facebook Fan Page. Each day this month we will be adding a prophetic word to [Facebook](#) and [Twitter](#) to encourage you to keep pressing in and believing for the impossible in God! If you have not signed up for our Facebook Fan page, you can do so by clicking [HERE](#). However, even if you are not a member of one of these social networks, you can still find these devotions posted on our website. At the bottom right hand corner of any www.gloryofzion.org website page, we have an f (Facebook) icon that links you directly to the fan page where you can read these prophecies. Let this be a month where you continue to frame your atmosphere with God's words of faith!

Blessings,
Chuck D. Pierce
