

The New Prayer Movement Expands! A Time of Convergence! New 5:15 Schedule!

Wednesday, August 6, 2014

Dear Saints on the Move:

Many of you know that I have been privileged to be involved in the World Prayer Movement since the 1980s. I began praying for God's people in the Soviet Block countries. Then the Holy Spirit extended a call to me for China. In the 1990s, I was privileged to work with Cindy and Mike Jacobs, Peter and Doris Wagner, and many others worldwide. We first focused on the 10/40 Window (where the most unevangelized people groups in the world resided), and then the 40/70 Window (where many of the most routinized, religious people resided). Many countries were powerfully affected, and never before had that many nations been prayed for and activated in prayer.

In September 2007, I knew it was time to let God lead me toward a new path. On May 31, 2008, God caught me up for four hours and showed me a vision of the United States and the nations of the world, and how each nation was aligned in His covenant plan. Since then I have been trumpeting the rise of the Triumphant Reserve. I have also been in the process of developing a model of the apostolic centers for today, and encouraging other models throughout the world. When I was in San Francisco this May, Dutch Sheets shared from Acts 5:15. All of the sudden, the Spirit of God came down and initiated a new move of God that includes intercession, watchman anointing, tremendous prophetic release of revelation, apostolic decrees, and the manifestation of miracles. We call this the 5:15 Movement.

5:15 Movement!

The Lord has really been speaking to me this week over how we are to move forward with this movement. We are now completing our sixth week in the **Miracle Birthing Center**. As we approach our seventh week, I wanted to be sure we continued to move forward in the Lord's order. I still recall what the Spirit of God released during our first 5:15 Movement gathering in the Prayer Tower on May 12: *"I am raising up a remnant that will complete moves of My Spirit that were begun in other seasons. I am sending processions of angels out of heaven. These battalions will assist in this movement. I am releasing revelation and wisdom. Wisdom will dismantle demons. Therefore, press against the darkness. Redeem the time, for days are evil. I will illuminate you with My glory. You will radiate.. The darkness will not be able to withstand the works that come from this illumination. These will become the greater works! The hovering has begun! Hosts of heaven and hosts of earth are coming into a new alignment. When the apostles went out in a new order, the prophets aligned, the teachers taught, and the miracle workers were released. I am bringing the workers and watchers in until a new day dawns in this Kingdom Movement. Stand and observe, let My glory go before you, and then see how to move in proper alignment with My glory for this season."*

A New Convergence in the Movement!

The word convergence means an instance when lines and objects come together. This word is also linked with vision. Convergence means a coordinated turning of the eyes to bear upon a near point. I see the past and the present converging with God's prophetic will for the future. I got up this morning and pondered the moves of God in the past seasons of history. I thought about the Jesus Movement where I came to know the Lord. I thought about the Third Wave Movement that hit many structured churches in the late 1970s and 1980s. Then I about the prayer movement that began in the 1990s and has developed since that time. The Lord then spoke to me and said, *"In this Apostolic Center I am ready to converge those movements!"*

As we look forward to next week, we will be adjusting our 5:15 Movement schedule. We want to progress in the order of the model that the Lord is developing here. If you remember, He started with the Garden and will end with the restoration of a Garden life in His people. I believe the Lord's desire is for us to gain momentum from the anointing that is resident in the Prayer Tower, Tabernacle and Miracle Birthing Center for the end result of forming something new and unique. So beginning next week our schedule will be:

Monday at 5:15 AM ... 5:15 Movement in the Prayer Tower

Tuesday at 5:15 AM ... 5:15 Movement in the Tabernacle

Wednesday at 5:15 AM ... 5:15 Movement in the Miracle Birthing Center

We will NOT be meeting corporately this Thursday or Friday, nor will we be meeting next Thursday or Friday. If you are led to come to the Global Spheres Center at 5:15 AM tomorrow (Thursday) or Friday, you are welcome to pray in the Garden.

Our goal is to add 5:15 Movement gatherings on Thursdays and Fridays in the Garden and Solomon's Porch. However, we will wait for the Lord to initiate the timing. The Garden has always been our starting point here, so I am watching closely for how the Lord will return us to the Garden so we can then begin in a new way.

This Sunday We Will Entitle our Celebration Service "Piercing the Darkness!"

Pamela Pierce, Keith Pierce, and I will all be sharing various aspects of what we see God saying to the Body of Christ. We then want to anoint you to move forward and overcome the enemy that would prevent you from coming through the narrow place this month.

Open House for Ike & Tine's Dance and Creative Arts Studio!

All of you joining us at the Global Spheres Center on Sunday morning are welcome to enter into a special Open House of the Community Fitness Center which includes the Gym as well as Dance Studio. Isaac and Celestine Pierce, and many others, have been working for months to get to this point, and "Ike and Tine's Dance and Fitness Center" is almost ready to explode with movement! This Sunday, you will be able to learn about the dance, fitness, and creative expression classes that we will be offering. You will also be able to see the Fitness Center and enjoy smoothie bar samples. So make plans to stop by after the service and see what we will be offering to our members and the community.

Blessings,

Chuck D. Pierce
