

***Tonight: A Night of Worship with Paul Wilbur!
When You See the Rain You Will See the Release!***

Thursday, August 8, 2013

Dear Worshipers:

We have planned for a powerful time here this week to be “Empowered to Overcome” and to celebrate Firstfruits for the Hebraic month of Elul. Tonight, we want to open the heavens with a special time of worship and to honor the God of Israel. We are pleased that **Paul Wilbur** can join us for a special time of praise and worship here at the Global Spheres Center. I hope many of you in the region can join us to release praises that can establish an atmosphere for the Lord to be enthroned in majesty. Everyone is invited to join us onsite at 7 PM, or by webcast, and no registration is needed to enter in with us this evening.

The schedule for the rest of the weekend is:

- ***Friday from 9 AM – 5 PM: Kingdom Force Institute course on Perception*** with *Barbie Breathitt, Venner Alston, Robert Heidler and Chuck Pierce*
- ***Friday night – Sunday morning: Empowered to Overcome!*** with *Judy Jacobs, Kent Mattox, Jeff Jansen, Robert Heidler and Chuck Pierce*

We are expectant for how the Spirit of God will move, and hope many of you will be able to join us for this entire weekend! Go to www.gloryofzion.org for more details.

When You See the Rain, You Will See the Release!

On Sunday morning, Alemu Beetfu ministered on ***Preparing an Altar for Hosting His Presence!*** He shared from the life of Elijah, including the account of the confrontation on Mount Carmel where the fire of God fell from Heaven. This was followed by the release of rain after 3 ½ years of drought. Alemu shared that without fire there will not be any rain, and that many have been praying for rain without first praying for the fire. That is why we have been crying out for the Lord’s Glory to fall in this place!

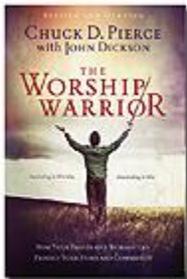

Keith Pierce went on to declare that the Lord was preparing to release His rain this week, and that when saw the rain falling from heaven, that we would also begin to see the release of His plans and purposes! Here in Corinth, there was not a forecast for rain this morning. However, clouds began to form and a sprinkle soon turned into a downpour! ***We are seeing the rain!*** Now we are declaring that we will also see the release!

This year, we are not agreeing with drought, and here in Texas, this has been one of our wetter summers. We are breaking cycles. Just one year ago we were saying no to the plans of hell. Click [HERE](#) to watch a short highlight video from our Celebration Service on August 5,

2012. We all danced the thunder dance and made spiritual decrees. The very next day unexpected clouds came into the sky here and rain began to fall through the Metroplex region. So I'll say it again: we are breaking cycles!

Blessings,
Chuck D. Pierce

Worship As It Is In Heaven by John Dickson and Chuck D. Pierce

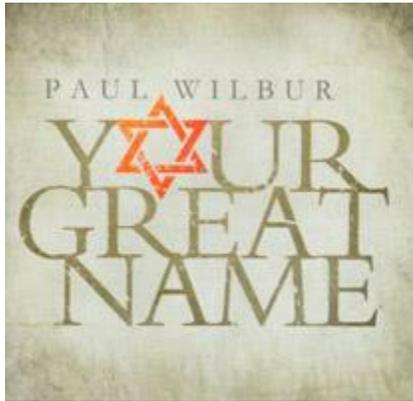

This book will bring you into a place of understanding the Third Heaven so you can walk in the Earth realm where you live. If you have ever wondered what "Restoring the Tabernacle of David" means, this is a must book. God is enthroned on the praises of His people, and from that throne, He governs the heavens and the earth. When we worship as they do in heaven, we unlock

God's purposes for our lives and for the earth. As our worship goes up, God's will comes down. *Worship As It Is In Heaven* is a call for the Body of Christ to rediscover Heaven's pattern of worship, instituted in David's tabernacle and renewed through Jesus' apostles in the earliest days of the Church. Through our worship, the forces of darkness are pushed back and righteousness prevails! *Worship As It Is In Heaven* is a call to enter a fullness of worship the world has rarely seen--worship that is the conduit of God's government of peace, justice and holiness on the earth.
