

GLOBAL KINGDOM PRAYER TOWER!

Tuesday, September 13, 2011

Dear Advancing Friends:

Things here are stirring at the Global Spheres Center. Today they began to dig up the entrance to the Global Prayer Tower for a new approach, and also have been preparing the area around the front of the building for accent trees, foundation plants, grasses and rock. If you know much about preparing the soil for new growth, there needs to be some fertilizer! So we have now have sounds, sights and smells of progress! Please send funds so we can keep moving! We don't want to slow down.

I also want to thank you for praying the meeting with officials from the City of Corinth this morning. The meeting went well, and we are moving forward towards securing our Certificate of Occupancy for the second floor wing so we can shift our offices out of the Global Prayer Tower.

Join Us Thursday Night: A Time to Receive Power to Build and Advance in Prophecy!

I loved our gathering last Thursday night! I hope you can join our next ***“Receiving Power to Build and Advance”*** Gathering this Thursday night. ***Robert Heidler*** is back from Thailand, and I have asked him to share a teaching on prophecy that will help everyone be activated in a new way to hear the heart and mind of God. Of course, his message will be preceded by vibrant worship, so this will be a great night to bring your family, friends or neighbors to join us here. Don't forget, Violet Dickson has a program for the younger ones, and Joseph Pierce, Josh Awbrey and Joshua Black are starting a gathering for the High School and Young Adults. ***Following Robert's message I have asked Keith Pierce, Deborah DeGar and Janice Swinney to lead a time of prophetic ministry.*** This will be a wonderful night to worship and be ministered to in a fresh way. *If you are not able to join us onsite, you can watch the live webcast or the webcast replay that will be available through Saturday night.*
