

***Let the Midnight Cry Arise!
Join Us Tonight for Worship and Prayer, and
Tomorrow Night for Head of the Year!
Light Your Lampstand for the Year Ahead!***

September 19, 2012

Dear New Year Celebrants:

This is a week of great expectation at the Global Spheres Center. We look forward to hosting so many of you as we celebrate **Head of the Year 5773**, beginning tomorrow night. We have over 3,000 registered from 43 states and 18 nations. Allow this to be a week when you bridge the gap between your past and future!

For those of you who arrive today, as well as for those of you in the region, we will have a worship and prayer time tonight **from 6 PM - 12 AM!** There is a **MIDNIGHT CRY** that needs to rise up before our Head of the Year Celebration begins. Each hour we will have worship and prayer leaders stir the cry within us that will break open the way ahead. Join us for 30 minutes, an hour, or however long you can. This gathering will be a live webcast, if you cannot join us onsite.

Light the Lampstands!

During the second prayer watch of the night, I look forward to helping us light the lampstands. Towards that end, we have been cleaning our lampstands and getting them ready to burn brightly in the year ahead. Below are several images of our preparation with the menorah in the Israel Prayer Garden, as well as the moon vines that are continuing to bloom there during the night.

Please try and invite others to join you in your home as we move from recovery to wholeness and beyond! ***We are also preparing gifts to share with those who join us onsite as well as by webcast.***

And if you are attending Head of the Year and would like to be baptized on Sunday morning, please call our office (1-888-965-1099) to sign up.

[Redeeming the Time](#)

This is a year of redemption! One of the key books that will help you this year is *Redeeming the Time*. If you have not already read this book, you will want to make it a priority. This book helps you answer the difficult question of how to get back in sync with God when you realize you missed a window of opportunity. This is an amazing principle to understand. When one window closes, the Lord has a divine plan to reposition another time and another place for you to enter His blessings. How many times do we wish we could go back in time to undo or redo something? Although the Lord doesn't take us back in time, He has the ability to bring our past "into" our future so that we have a second opportunity to choose and get back in His perfect timing. *Redeeming the Time* will help you recognize God's timing in your life and determine if you are in step or out of step with God's plans and purposes. This book will also help you align yourself with God's perfect timing system, and reap rewards of a life spent in step with our Father. There is also a chapter that will help you understand the Triumphant Reserve that is emerging from state to state.

New Year's Special: \$8 (Regularly \$15)

Blessings,
Chuck D. Pierce
