Dear Saints with Ears to Hear:

This is an exciting week as we look forward to celebrating Head of the Year 5775! We look forward to seeing many of you here at the Global Spheres Center, as well as welcoming many more of you via webcast. If you were not able to join us on Sunday to hear Robert Heidler's "year in review" message, be sure to watch the webcast replay and learn how to **"Finish the Old Year Well! 5774: A Year to Taste the Goodness of the Lord!"**

Join us Tomorrow at 6 PM in the Garden for Yom T'ruah!

Since the Hebraic New Year actually begins tomorrow (Wednesday) night, all of you are invited to come and join us at 6 PM in the Israel Prayer Garden. Yom T'ruah, the Day of Blowing (of Shofars) - the Feast of Trumpets, is a time when the shofars are blown to announce the new year and to call us to spiritual alertness. Therefore, we will be blowing shofars in the Garden at 6 PM for all who care to join us. I am declaring that the sound of the trumpet will cause us to hear in a new way for the year ahead!

Thanks for Your Prayers for a Glory Explosion on the Border!

I am so grateful for your prayers when we traveled to Laredo, Texas last Saturday night. That meeting was just incredible. During our time near the Mexican Border, Chad and I drove to right near where Interstate 35 ends. This same highway goes north through Dallas and all the way up to Minnesota, ending in Duluth. Some of the greatest construction is right here in front of the Global Spheres Center. This construction extends from northern Dallas and Lewisville up to Denton and towards Oklahoma for the future superhighway to expand. Having ministered at the southern point of this highway, I also know that its important to also minister at the northern point in Duluth, and look forward to ministering there next year.

This Sunday we will be baptizing at 7:30 AM during our Apostolic Declaration Service. If you would like to sign up for water baptism during this time, please contact our office at **(940) 382-7231**.
