*Dear Worshipping, Watching Warriors:*

This has been an amazing week. We have corporately entered into celebrating Tabernacles with feasting, fellowship, worship and more! Last night's Worship Celebration was just incredible with the flow of praise, prophecy, dance and rejoicing. This will be a leadup to tomorrow (Friday) night when we celebrate ***Simchat Torah*** (dancing with the word) and ***Firstfruits for the Hebraic month of Cheshvan***. ***Simchat Torah*** is the joyous day on which the year-long weekly readings through the five Books of Moses are concluded. There is great rejoicing in the synagogues and messianic congregations during this celebration, with song, proclamations, and dancing with the Torah scrolls which have been taken out of their "arks."

The word *torah* means a "direction" or "teaching," and usually refers to that "direction and teaching" chronicled by Moses in the first five books of the Bible. However, Torah also simply means the teachings of God. In the New Testament, you read, "*He (Yeshua) closed the book, and gave it back to the attendant and sat down.*" The word also says He, "*stood up to read.*" What Jesus was reading was the Word of God. In our culture, we think Old Testament and New Testament. The Word of God is simply the Scriptures from the mouth of God, the prophets, and all the chronicles of the history of our faith. Jesus also expounded to His disciples "*in all the scriptures the things concerning Himself.*" Today, we must know that it is God's heart to restore the power of the Torah from Genesis to Revelation. I hope all of you can join us tomorrow night at 7:30 PM for a special night of celebration. We want you to continue celebrating the joy of this time and to move from strength to strength and blessing to blessing each month!

**Judah Goes First! A Night to Watch and Worship! Join us from 6 PM Tonight through 6 AM Tomorrow!** Yesterday, when I got up at 5 AM I heard the Lord say, "***You are sensing the battle that you are in, but have yet to see the enemy.***" I said, "What do I do?" He instructed me to go to the Garden and wait until I received grace to advance. While I was there, James Doss, one of the servants in the Gardens, came up and prayed for me. Two hours later I heard the Lord say, "***Let Judah go first!***"

What added to all of this was that Sergio Scataglini was in the region and could minister at the Kingdom Force Institute class at noon. I loved his teaching on "***Advancing and Breaking Oppression to Move Forward in the Year Ahead!***" While Sergio ministered on Judges 20, he shared how this passage says Judah must go first. The Lord was providing the answers I was seeking! As Sergio continued to minister, I heard the Lord say again "Judah must go first" and that we needed to establish a night of worship and prayer watches to expose the enemy that is

attempting to divert our focus. ***Therefore, beginning tonight at 6 PM, we will have one hour prayer watches in the Prayer Tower. Each hour will have a worship leader and a prayer leader from one of our departments to help us watch, beginning at 6 PM and concluding by 7 AM.*** Any of you in the region are invited to join for one or more of these watches in the Prayer Tower. After each one hour watch, a team will be sent to the Garden to walk, watch and pray. For those of you who cannot join us onsite, we will have a live webcast of all of the one hour watches that you can join. I encourage each of you to find an hour to meet with the Lord to find your strategy for breakthrough.

### **Accessing Your New Door of Opportunity!**

This is a time to access your destiny for the next three years. On Sunday morning, I look forward to ministering during our Celebration Service on ***“Accessing Your New Door of Opportunity!”*** Make plans to join us for incredible worship and a time to get focused for the three year season ahead.

Blessings,  
*Chuck D. Pierce*

### **Key Resources to Help You Watch and Worship!**

**[The Watchman and Watching!](#)** by *Chuck Pierce, Robert & Linda Heidler, Anne Tate and LeAnn Squier*

We have moved into a new season of watching. We are called to watch in a new way and to move differently than we have in the past. As Watchmen, it is important to know the sphere of authority in which we are called to operate. New tools are being given to those who watch, in order to be able to watch more effectively. Whether you have moved in a watchman gifting for years, or are just discovering you have a watchman gifting, this Center for Advancement class will aid you in gaining a better understanding of how the watching gift develops and operates and what you are to watch for and over. Sessions include:

- *The Watchman Anointing: Standing Guard Over Your Inheritance!*
- *What to Look for to Get Into Your Cycle of Blessing!*
- *Women as Watchmen!*
- *How the Watchman Gifting Develops and Operates!*
- *Watching at the Gate in Your Sphere of Authority!*

Also included in this set is a sovereign time of dedication in the Israel Prayer Garden with Apostle Jay Swallow. The Native American seeds he brought for the Israel Prayer Garden were such a sign of how our seed and watching is connected with Israel.

So many believers are faithfully praying during the night, and the sessions from this course will help you identify the most strategic time to seek the Lord. Two demonstrated prayer watches are also included in the course set. Some of the topics covered in this class are:

- *When the Glory Comes Down*
- *Transformed by the Presence*
- *The Prayer that Brings His Presence*

**[Reordering Your Day ... Available only as an E-Book!](#)**

Many of you have asked how to get copies of ***Reordering Your Day: Understanding and Embracing the Four Prayer Watches!*** This book has been our textbook for learning about the four night watches: Evening (6:00 - 9:00 PM), Midnight (9:00 PM - Midnight), Breaking of a Day/Cockcrowning (Midnight - 3:00 AM), and Morning (3:00 - 6:00 AM). This book was written to help so many understand why they are being called at certain times of the night to pray. The Lord is restoring the watches of the night so we can see things we have never seen before! Although we no longer have this book available for purchase as a hard copy, we have been able to release it as an E-book. To purchase this for your Kindle, you can go Amazon.com or click [HERE](#).
