Dear Friends:

This past week was wonderful. I will be speaking this Sunday on **“Jesus in the Synagogue and in Your Field!”**

This past week we have from ***Receiving Power to Build and Advance*** on Thursday to our ***Firstfruits Celebration for Elul*** on Friday to a day of ***Developing a Mind for the Future*** on Saturday to the ***Joy of Restoration*** on Sunday morning and back to the ***Night Watches*** last night. We are pressing into a new manifestation of His presence and power here at the Global Spheres Center! Don't miss joining us again this week. Tomorrow (Thursday) night at 7 PM (CDT) we will have a special night of worship for Receiving Power to Build and Advance. If you were not able to join us on Friday night for Firstfruits and ***“Meeting the King in the Field”***, you can still watch the [webcast replay](#) through this Saturday night. This is a time to pull aside and seek the King! Allen Faubion even shared about a shofar blast for this month entitled “King in the Field: Rosh Chodesh Elul”. To hear or download this sound click [here](#).

Developing a Mind for the Future! Webcast Replay Now Available for Center for Advancement Course!

Our first Center for Advancement class in the Global Spheres Center was incredible. If you were not able to join us on Saturday for all of the sessions, you will want to set aside time when you can watch the [free webcast replay](#) before the end of the month. I began by sharing ***How to Cultivate a Mindset for Transformation*** so we begin to see in new ways. Then Robert led three sessions on the foundational blocks we stand on: ***Understanding Covenant; The Seven Fold Spirit of God; Escaping Legalism to Live a Godly Life!***

Watch Bastrop, Texas!

I know that many of you have been watching the reports of the fires here in Texas. Earlier this year I was in Austin, Texas with Keith Miller on February 16-17 for the *Access! Keys to Prophetic Insight for the New Conference*. The Spirit of the Lord began to move powerfully and I heard the word “**Bastrop**” as a Word of Knowledge.

At first, I wasn’t entirely certain where that city was even located, but trusted the unction of Holy Spirit and began to prophesy: *“**There will be a drop on Bastrop! I’m going to bring a drop-in to that place ... When you see the drop for Bastrop you will know that I have come into the midst of a people to bring great change. Watch, for it will be known that Bastrop has been dropped upon.**”*

That was all I heard, and didn’t know what it meant or if there was even people in attendance from that city in Texas. I continued to share, *“Is anybody from that place? Or close to that place? If you are, go there and prophesy those words. **Say those words at every entryway into that place, because it will be a sign of change to this entire nation - when the drop comes on Bastrop. I don’t know when that is or even what that is. But I do know this: there is a scripture that says, ‘Rend the heavens and come down.’ Father, we thank You for the drop that’s going to come on Bastrop.**”*

The Lord gave me another prophetic word after this one: *“There is going to be a lot of heat that is coming. From May through August, the heat will increase.”* [I knew the Lord was not talking about summer, either.] *“Because the heat will increase, know this: I had to bring heat to un-seal what was sealed up. For there have been seals that have been sealed on things you need to know, that must be unsealed. Therefore, the heat will produce the ability to melt the seal of the revelation that is needed. **You will sing in the heat, and as you sing in the heat, seals and decrees and laws that have been working against you, will now be shifted to work for you!**”*

As you have noticed in the news, Bastrop has been the center of many of the fires in Texas. Texas has lost over 1,000 homes. Let’s decree that from the history of Bastrop, the current position of Bastrop, and the current situation that the people of Bastrop find themselves in that things are being unsealed for the future. I believe this has to do with

government. Bastrop is approximately 30 miles from Austin, the state capitol of Texas. When looking at the history of this town it has always been a place of contention or refuge ... depending on the perspective and situation. Whether it be from Native American wars or Mexican American wars, this city is very interesting in its history. It was the second oldest incorporated town in Texas and the alternate for the new Republic's capital.

Update on Doris Wagner

Thank you for continuing to pray for Doris. She and Peter were able to meet with her primary orthopedist on Monday night. As Peter shared, of the three scenarios, Doris has opted for a "fusion" process. Fusing her knee would keep the leg from being amputated and would allow weight bearing to occur. However, her knee would be stiff for the rest of her life. Doris will be in the hospital for a few more days, and then transferred to a rehab center to continue her huge doses of antibiotics plus physical therapy to learn how to transfer from her bed to the commode or to her scooter or to the car. Then she will come home and continue her antibiotics for a total of six weeks since the surgery. At that time she will go off antibiotics for two weeks and be tested. If the infection is completely cleared up, her orthopedist will schedule the fusion surgery. Let's continue to pray for Doris during this restoration process.

Blessings,
Chuck D. Pierce
