

***The Night Will Blossom!
The Changing War!
Sunday -- "Jesus! His Affects on the Church Today -
the Same as Yesterday!"***

September 7, 2012

Dear Light Bearers:

Bless you and all that you have! May this be a season of sorting through and overtaking the past infiltration of poverty, infirmity and religion. Pray for me as I complete the book that I am writing with Robert Heidler on *A Time to Prosper!*

*Some have asked about an increased warfare that they are sensing. They were under the impression that after Av (a typical month of warfare) things would slack up and peace would come. That is not how this thing really works, spiritually. If you came through the dire straits, which you did if you are reading this email, then your future is not blocked. Now you can go into the warfare over your next season. There are narrow places causing us to fall into unbelief, lose our way, and quit progressing toward our destiny! That is the dire straits! Once you press through the hard, dire straits, **warfare does not end---warfare changes!***

Don't Flinch at the Movement of the Enemy!

Sunday morning during our Celebration Service the Spirit of God moved! The words that came forward on the enemy's movement and the Lord's sanctifying fire of deliverance were so powerful! Be sure to go to the [Prophecy Center](#) to watch a short video with these words as well as read and watch other key revelation. Click [HERE](#) to review it or select "Prophecy Central" on the left hand side of the screen when visiting www.gloryofzion.org. The Lord was saying this: *"This will be a week where many circumstances will arise. Don't flinch in the midst of the enemy's movement. The enemy is only moving around you because you are moving with Me. Keep your eye on Me, keep your hand outstretched and I will pull you out of the enemy's fire; I will pull you up above his strategies and you will come down and overtake his headship. I have released a new sanctifying fire in the second heaven. You've wanted to and couldn't or you didn't know how to appropriate Me, for a new deliverance. In the weeks ahead, if you will walk with Me day by day and moment by moment, you will access a new sanctifying fire and soon you'll be free in a new way."*

"Jesus! His Affects on the Church Today – the Same as Yesterday!"

This Sunday morning *Robert Heidler* will be teaching on **"Jesus! His Affects on the Church Today – the Same as Yesterday!"** He will be expounding on the dynamics of what happened when Jesus entered the synagogue. This will prepare us for Jesus coming to the Tabernacle in a new way.

SIGN UP NOW FOR HEAD OF THE YEAR! OVER 2,300 ALREADY REGISTERED! A MIDNIGHT CRY ADDED ON WEDNESDAY, SEPTEMBER 19.

I have felt that this Rosh Hashanah is very important. All are—but something is special about this one. For those of you who arrive early, as well as for those of you in the region, we will have a worship and prayer time on ***Wednesday night, September 19, from 6 PM - 12 AM!*** There is a ***MIDNIGHT CRY*** that needs to rise up before the New Year begins. Here are what the flowers that bloom at night in the Garden look like:

Johnny Enlow recently posted regarding the significance of this Rosh Hashanah and the season ahead of us. In "[The Beginning of the Age of Restoration](#)", he shares: *"This mid-September begins, what I believe to be, the most significant period in Church history since the outpouring of the Holy Spirit in Acts chapter two. Furthermore, I believe I have been shown that the Holy Spirit will begin to pour out an unprecedented wine that will surpass the outpouring in Acts chapter two. This wine is not just for refreshing; not just for revival, not just for reformation of society- but in fact extends into an age of the restoration of all things. There will be all of the above (refreshing, revival, restoration...) and we must have a 'wineskin' ready to receive that level of wine."*

The War Over the White House in the Year of the House is Raging!

Two weeks ago, we began to cry out for people to hear the voice of God through those in the political sphere. We asked the Lord to take our nation beyond the same old mudslinging political race and reposition us for covenant blessings in the year ahead. We asked you to be aware of anything that the Lord would be saying through the parties and factions. One thing to be aware of was the 2012 Platform released this week in Charlotte. ABC News stated the following: "In Charlotte on Monday, the Democratic National Committee [released its 2012 party platform](#) ... Gone are three sentences identifying Jerusalem as the capital of Israel, now and forever. There is no mention of Jerusalem in the 2012 document, after the 2008 version included this mention: *Jerusalem is and will remain the capital of Israel. The parties have agreed that Jerusalem is a matter for final status negotiations. It should remain an undivided city accessible to people of all faiths.*" (Chris Good, <http://abcnews.go.com/blogs/politics/2012/09/democrats-shift-language-on-israel-remove-god-given-from-platform/>).

However, during the Democratic National Convention on Wednesday this position was shifted. The Washington Post stated the following: "Democratic delegates restored to their party platform Wednesday the position that Jerusalem is the capital of Israel, reversing a controversial omission that had angered some Jewish organizations and drew criticism from Republicans that President Obama was distancing the United States from its closest ally in the Middle East. The amendment to the platform, which essentially reinstates the language on Jerusalem from the 2008 version, was introduced by former Ohio governor Ted Strickland. It was put to a voice vote by Los Angeles Mayor Antonio R. Villaraigosa, the convention chairman, who asked three times for "aye" votes before determining that the amendment had a two-thirds majority. (Scott Wilson, http://www.washingtonpost.com/politics/democrats-restore-to-party-platform-language-on-jerusalem-following-gop-criticism/2012/09/05/f023051a-f792-11e1-8b93-c4f4ab1c8d13_story.html)

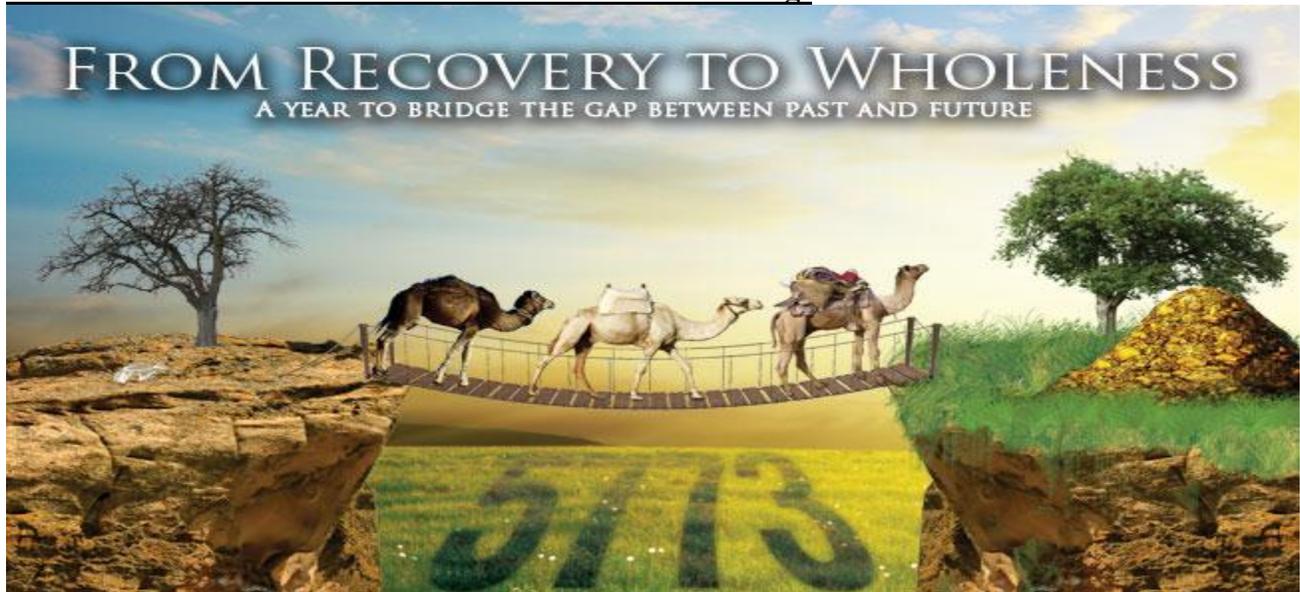

The Republican Party released their [2012 Platform](#) on August 28. The statement on Israel includes: "We support Israel's right to exist as a Jewish state with secure, defensible borders; and we envision two democratic states, Israel with Jerusalem as its capital and Palestine living in peace and security. For that to happen, the Palestinian people must support leaders who reject terror, embrace the institutions and ethos of democracy, and respect the rule of law. We call on Arab governments throughout the region to help advance that goal. Israel should not be expected to negotiate with entities pledged to her destruction. We call on the new government in Egypt to fully uphold its peace treaty with Israel."

[The Future War of the Church](#) by Chuck D. Pierce and Rebecca Wagner Sytsema

Initially released in May 2001, before the tragedy of the World Trade Center on 9-11-01, this book helped us get established in the season of war that we are presently living in. We have now revised this book to include key, prophetic testimonies behind every chapter that affirm the prophetic call to His Church for a Kingdom perspective during these times. Even if you purchased the original version, you will want this revised copy as a documented history of the times we are living in and how "God does nothing without first telling the prophets."

[Time to Defeat the Devil](#) by *Chuck D. Pierce*

As we all know, times are changing, and there is a historic shift occurring in the church today. In the midst of this change, the enemy would try to distort our vision so we lose our way. The Lord stirred me to write this book so we would not shrink back, but learn to see in a new way, and embrace the authority and power we have been given through our risen Lord, Jesus Christ. Perhaps what makes this book most unique is the focus on how to break the power of vexation and to renew our human spirit. Like righteous Lot, the enemy seeks to vex our spirit so that we become traumatized and fragmented. If he can block our spirit, he can stagnate our relationship with the One who created us and overtake our soul. However, we have a FATHER of our human spirit who is able to renew and nourish our spirit! Learn how He longs to see us restored and made whole, and how we can "exercise" our spirit and commune with Him in a new way.
