***Join Us for a Night of Worship!
Receive Power to Build and Advance!***

September 8, 2011

Dear Worshippers:

Those who know me well know that I am a worshiper. I love the Lord, and I am not ashamed of the One who gave His life for me. I make it a priority to spend time seeking the Lord and expressing my praise to Him both privately and corporately. That is one of the reasons that we at Glory of Zion provide many opportunities for extended praise and worship, and work to capture the sounds and songs that the Lord is releasing through this ministry. Consequently, I am really looking forward to tonight's "***Receiving Power to Build and Advance***" Gathering.

Beginning at 7 PM (CDT), we will have a night of worship. ***John Dickson, LeAnn Squier, Tiffany Smith, James Vincent*** and others will each be leading us in an extended time of worship. This will be a creative time where you can ascend in worship and descend in war.

Expect different sounds and expressions to come forth that will impact the generations. Remember, sound changes the environment around you and liberates you to encounter and respond to the Lord in new ways.

If you are not able to join us onsite, you can watch the live webcast or the webcast replay that will be available through Saturday night. This will be a great time to invite others to your home to join in a new type of service. We are declaring that new levels of worship will occur and new manifestations of His glory will occur in your homes or wherever you are gathering.

The Arbor will also be open prior to the service with a great variety of food, drink and snacks to purchase. So if you are coming directly from work or don't have time to prepare a meal, you are welcome to join us in The Arbor for food and fellowship beginning at 6:00 PM.

Thank you for praying for Bastrop and the regions affected by the fires here in Texas. Continue to pray for rain, a shift in the atmosphere, and for the earth to be reconciled with the heavens.

Thailand Update

Please continue to pray for the team in Thailand. Robert & Linda Heidler and Allen Faubion are set to begin teaching an Issachar School class there tomorrow. Below is the update they provided earlier today:

God is moving in Thailand! Chuck's last visit really stirred things up. People all over are asking

how they can move with the "new sound". They know their nation is called as a nation of worship and want to release what God is stirring in the heavens. A new level of prophetic worship has begun to arise since Chuck, John and the team were here.

God is also stirring a new level of intercession. One leader who has worked for many years with the Thailand Houses of Prayer said that in the last year there has been a shift from devotional prayer to prophetic intercession and spiritual warfare. In addition to that, she has begun to get calls from all over the nation from prayer groups asking how they can move into prophetic intercession. God is raising His intercessors to shift the heavens to shift the earth.

God is also raising up His apostolic church. Two of the leaders that we have worked with since 2007 said that when Robert would teach on the differences between the pastoral and apostolic churches, they had difficulty really understanding what that would look like. Now that God is raising up apostolic churches, they can clearly see the difference. Pastors from around the nation have begun to ask how they too can make this shift. These two leaders said that they see the nation poised for rapid acceleration.

We are looking forward to the Issachar School of the Prophets beginning on Friday. The Thai believers are very prophetic but have not had much equipping to discern, release and judge prophetic words. A big part of this school will be prophetic activation exercises. Pray that these will go well. Bind any religious spirits that want to hinder God's people from developing prophetically. Pray for a great release of the anointing to prophesy.

It is wonderful to be here again where Holy Spirit is welcomed and God's people are ready to move with His revelation.

Continue to pray concerning the fires that are blazing in Texas. Ask the Lord to change the atmosphere!

Blessings,
Chuck D. Pierce

Key Resources to Help you Worship in a New Way!

With a new introduction, added chapter and devotional to accompany each chapter, this is like a new book! The updated version of [The Worship Warrior](#) is a must read to understand how to come near to God and overcome in the midst of warfare. *The Worship Warrior* helps you understand how to move from one faith dimension to another! John Dickson said, "I picked this up to read and sensed this was a new book that I had never read before! So many changes! This book is built on the WAR to RESTORE our Garden Life through worship! Ascend, then descend!"

Special: \$13 (regularly \$15)

[Worship As It Is In Heaven](#) by John Dickson and Chuck D. Pierce

This book will bring you into a place of understanding the Third Heaven so you can walk in the Earth Realm where you live. If you have ever wondered what "Restoring the Tabernacle of David" means, this is a must book. God is enthroned on the praises of His people, and from that throne, He governs the heavens and the earth. When we worship as they do in heaven, we unlock God's purposes for our lives and for the earth. As our worship goes up, God's will comes down. *Worship As It Is In Heaven* is a call for the Body of Christ to rediscover Heaven's pattern of worship, instituted in David's tabernacle and renewed through Jesus' apostles in the earliest days of the Church. Through our worship, the forces of darkness are pushed back and righteousness prevails! *Worship As It Is In Heaven* is a call to enter a fullness of worship the world has rarely seen--worship that is the conduit of God's government of peace, justice and holiness on the earth.

[Warring Supernaturally!](#)

Heaven and Earth are beginning to touch! The sound that is being produced is shaking the enemy's kingdom. This CD has an incredible blend of four of the songs that God birthed through severe warfare times, as well as four new songs and spontaneous prophetic sounds. When you listen to this, you will feel like heaven is invading your spirit so you can walk in a victorious manner in the warfare around you.

Tracks include: [Crying Out](#), [Glorious](#) (Live), [Breakthrough](#) (Spontaneous), [Praises Rise Up, Glory Comes Down](#) (Spontaneous), [Supernaturally](#) (Live), [By My God, The Lord's My Shepherd](#), [The River Coming Down](#) (Spontaneous), [Healing River](#) (Spontaneous), [Have Your Glory](#) (Spontaneous), [The God of Glory Thundereth](#) (Live), [There's a Rumbling in the Heavens](#) (Live), [Be Like Jacob](#) (Live), [In the Shadow](#) (Live), [Pour it Out](#) (Spontaneous), [Judah's Mane](#) (Live), [Can These Dry Bones Live](#) (Live), [Lazarus Come Forth](#) (Live), [Yield to the Drawing](#) (Spontaneous), and [Judah Roars](#).

[Letting Go](#)

There is a sound in the throne room of Heaven that calls to us in the earth to *let go* and worship. **One of our most difficult calls in life is to LET GO and LET GOD.** LeAnn Squier has captured that sound of release. *Letting Go* is one of the most beautiful expressions of freedom and joy that I have ever heard. Imagine yourself floating through space or walking on water. *This Gospel Music Association award winner for Songwriter of the Year helps to bring Heaven's expression into your living room, car, bedroom, office and heart.* The songs and sounds on this project are a must to help us lose control of our desire and experience HIS desire for us. We invite you to enter in with [One Magnificent Song](#), let your heart *be exposed*, let the thoughts of your mind be released, and let your hands be raised in surrender to the King of all kings. The special sound that has been achieved on [Blackbird](#) expresses the cry of a nation for freedom. This song, written by the Beatles about the cry of a young Black girl for freedom in the 1960s, was chosen by LeAnn well before the last Presidential election. The prophetic dimension of this compilation of songs for this time surpasses most worship expressions in this day and hour. *Savor the sound of **Letting GO!***

Special \$14 (Regular \$16)

[The Promise CD](#)

The Promise - Volume One is the culmination of almost four years of studio work. Joined by Aaron's longtime friend and musical confidant Sam Dickson, and producer Justin Rana, this CD is the compilation of a journey that has taken this team into marriages, through miscarriages, a studio move, and even a broken bone or two. The album consists of ten songs that, in one way or another, reflect on a wide range of emotions, experiences, and exhortations that Aaron and Tiffany wish to convey to their audience. The song "Finales and Futures" is so key for this hour.

Songs include: [Ready to Go](#), [Do it Again](#), [Have Your Way](#), [Be Thou My Vision](#), [Teach Us How to Pray](#), [Finales and Futures](#), [The Architect](#), [Corridors](#), [The Promise](#), and [Anatomy of Desperation](#).

SPECIAL: \$12 (regularly \$17)

[Aligning the Generations with Sound and Power](#)

This is a time when the generations must align and come together to release sound in a new way. Throughout the Bible we see models of how the generations aligned and how the covenant promises of God were passed from generation to generation. Join us as Chuck Pierce, Robert Heidler and the Glory of Zion Worship Team led us in a powerful time of teaching and the release of a new sound as three generations came together in worship. Sessions of this Judah School course include:

- Aligning the Generations with Sound and Power
- Aligning the Generations: Abraham, Isaac, and Jacob
- Generational Alignment in the New Testament

Also included in this set are the Rosh Chodesh blessing associated with the month of Tammuz released during our Firstfruits celebration and both messages from Sunday morning. During the "Power of Lift" service Joe Knight preached a message on "Overcoming Adversity." In the "Power of Use" service, Joseph Pierce spoke on "Embrace Your Inheritance!"

Special: \$40 (regularly \$80)
