

This Sunday: When Jesus Visits ... Deliverance is in the House!

Anthem - Next Generation Gathering!

Key Prophecy: You Will Travail and Go Through the Keyhole!

Saturday, January 18, 2014

Dear Travailing Saints:

This has been a full week! Earlier this week I spent time with several of our leaders to seek the Lord over His priorities for this year – both at the Global Spheres Center, as well as with travel. Please pray that we continue to receive Heaven’s blueprint for Kingdom advance. Thursday, we met together as a staff to talk about going through our doors of opportunity. I am in Tucson with Cheryl and Hal Sacks for [Start the Year Off Right](#). I will return home this afternoon, but then fly out later on Sunday to Ann Arbor, Michigan to be with Apostle Barbara Yoder for a [Regional Gathering](#) that night. Next week, I look forward to traveling to England for meetings there. While in other states and nations, I so appreciate meeting many of you who webcast regularly and are connected with Glory of Zion. We consider you as part of our family!

Robert Heidler Ministers this Sunday at the Global Spheres Center

After last week’s message on visitation, I know many of us are very expectant for how the Spirit of God will meet us this Sunday during our 9 AM Celebration Service. I love how the Lord can visit us and manifest His authority to bring change. **Robert Heidler** will be teaching on “**When Jesus Visits ... Deliverance Is In the House!**” Too often we place limits in our thoughts or emotions, on what He can change. But if we are crying out for visitation, then we are also yielding our right of way, so He can bring a new order of freedom and deliverance. If you are not able to join in this Sunday, the webcast replay will be available through next Saturday.

ANTHEM ... this Saturday Night at 7 PM!

Tonight at 7 PM will be our Next Generation-led gathering, Anthem. Everyone, regardless of their age, is invited to come and enter in to support the generations with a night of worship and with special guest speaker, *Aaron Smith*. He will be speaking on “**Auto Pilot ... OFF!**” Anthem is a monthly gathering from 7 – 9 PM led by our young people, but there is no age limit on who can attend. Haley Pierce shares, “*In this new year, we are going to move forward and break old cycles and barriers. This night of worship, dances, skits, and ministry will be our move toward what God has for us with the generations linking together and moving as one army for Him! We hope to see you all there!*” If you cannot join us onsite, you can watch by live webcast or webcast replay.

Go Through The Key Hole!

On the last day of our *Come to the Banqueting Table: Starting the Year Off Right Celebration*, the sound of travail began to break forth during worship. This is not usual for a corporate gathering, but I knew the Lord was releasing a desperate cry for breakthrough in His people. During Tuesday Morning Prayer this week, Anne Tate built upon this and shared about the travail of the nations. Many others prayed and shared about the call to travail, and our next generation also came forward to ask to be taught how to cry out in intercession. (You can watch that webcast replay through Monday night by clicking [HERE](#).) If the concept of travail is new to you, we have an entire chapter on “The Prayer of Travail and Agony” in [*Prayers that Outwit the Enemy*](#).

In [*God's Unfolding Battle Plan*](#) I shared about how worship gatherings will change in days ahead, to include breakthroughs into new levels of revelation that will cause the Word of God to become even more applicable for this age. ***I also shared that corporate warfare worship gatherings will turn into times of travail and the result will be changed nations.*** Never forget that the intercession and travail of today are opening the Gates of Heaven for the harvest of the nations! Below is a portion of the prophetic release that came forward during our Celebration Service on Sunday, January 5, 2014. Allow the Lord to release a new sound of desperation within you, and be willing to be molded into the key that the Lord can draw through the keyhole of your next door of opportunity. Also let the Lord impress upon your heart a nation to respond to the Lord's call, to be pulled through the keyhole.

*“This will be a year that there will be many making it through narrow places. But the travail that I bring upon you is most important. For yes, there is a door but the keyhole is the entrance. **Many must hear Me coming and pulling them through that keyhole, and them becoming and being molded into a key before the next door for their life will open.** Even today, **nations will start being pulled through the keyhole.** Nations will sound and weep, and nations will now say, ‘We are new in days ahead.’ This will be the year of division at the threshold. Because I am ready to open a door for the nations that have not known Me to come into My house, sons and daughters, the travail will be great.*

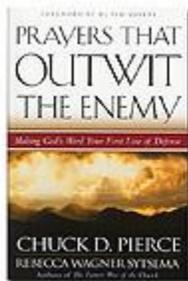

*“So reach up and grab My hand, for it is only by you holding My righteous right hand that you can be pulled through into that place that will open up to you. My righteous hand is now extending. **Grab hold, hold tightly and you will come through that door!**”*

Blessings,
Chuck D. Pierce
