

***Heaven Manifesting Here on Earth!
Manifesting Your New Mantle!
Moving Past Obstacles So You Can Express Your New Call!***

Dear Glory Manifesters:

I have received many encouraging reports on the impact of Sunday's services. We are experiencing the atmosphere of Heaven here in the earth. Beginning at 7 AM with our "Manifestation Watch", and continuing in **Robert Heidler's** message on "**The Highest Heaven Manifested on Earth!**", a portal of revelation opened! Heaven is not just someplace for the "by and by", but can be experienced NOW, as demonstrated in our Celebration Service. This was a time of continued worship and inviting the LORD to manifest His glory among us. **Barbara Wentroble** then brought forth a power-packed message on "**Manifesting Your New Mantle!**" Once we hear the word of the LORD decreed, declared, or proclaimed, God begins to establish this word in the earth realm. This causes us to press in for a full manifestation of what He is longing to accomplish in our midst. In this time of manifestation, I encourage you to watch our replays. Continue to agree with heaven and speak the will of Father into the earth, and watch as He manifests your identity in new ways!

Moving Past Obstacles So You Can Express Your Call!

Our new Glory of Zion Ministry Van arrived yesterday morning. I want to thank all of you who contributed towards this Dodge Grand Caravan that has been converted for rear entry. We assigned this resource to help get Doris Wagner where she needs to be. Let's all be encouraged to overcome every obstacle and press forward into a new place of manifesting our call for the season ahead!

Blessings,
Chuck D. Pierce

Being Mantled for a New Year! Starting the Year Off Right CD & DVD Sets Now Available!

In all the years of gathering corporately, rarely has it been during a time when national and world events around us seemed so critical. In the midst of the surrounding turmoil, the LORD extended an offer to press into a new mantle, a new name, and a new identity. We were able to end a season as we honored the harvest legacy of Dr. C. Peter Wagner, as well as thrust forward as each speaker shared their perspective of what is key in 2017.
