

***You Are Righteous in Him!  
Lift Up Your Eyes (Incredible Prophecy)!  
Garden Expanding!  
God is Moving in Ireland and the United  
Kingdom!***

Friday, January 25, 2013

*Dear Saints:*

Thank you so much for your prayers as we have traveled from Ireland to England, and now on to Scotland. The meetings have been some of the most powerful that I have ever experienced in the United Kingdom, and our time in Ireland was also groundbreaking. After ministering in Scotland tonight, we will depart for home tomorrow (Saturday) morning. You can stay updated on our travels via [Facebook](#) as well as the video updates that Chad is posting on our [homepage](#) at the "[Video Travel Blog](#)" icon.

**This Sunday at the Global Spheres Center: Righteousness by Grace!**

I hope many of you will be able to join the service at the Global Spheres Center this Sunday at 9 AM. **Robert Heidler** will be teaching on **Your Foundation of Righteousness (Part 2): Righteousness by Grace!** After sharing on "Your Foundation of Righteousness" several weeks ago, his message this Sunday will help us understand the power of grace over law. If you cannot join the live service, the [webcast replay](#) will be available through Saturday evening.

**Connecting into Asher Prosperity! An Update from Pam Pierce**

As the weather has begun to shift in Texas, Pam and her crew have begun to initiate several new projects in the Israel Prayer and Gentile Gardens. This is the Hebraic month of Shevat which is associated with the tribe of Asher. Therefore, we want to see that this section of the Garden properly connects with the overall message we are presenting in this season. Don't miss Pam's latest [Beulah Acres Blog Update](#) so you can see our latest developments and call in our collective alignment with God's plans of prosperity. **Lift Up Your Eyes!**

This is a season that we must continue to declare that our blessings are on the way! In the press of daily life, do not allow your focus to shift from the Author and Perfecter of our faith, to the circumstances and obstacles around us. This latest post on the Prophecy Center will encourage you to lift up your eyes and see in a new way!

***"Lift up your eyes! Lift up your eyes! Your redemption is drawing nigh that which you need Me to come through on your behalf. Lift up your eyes and see! For you were looking in one plane and one direction. If you will lift up your eyes I will show you a horizon line that is set further than you have seen in the past. Lift up your eyes for your help is on the way.***

*“For all the blessings in spiritual places I’ve given you, many of you have forgotten what I have spoken. And many [blessings] were hidden from one generation that I’m ready to reveal in another generation. **So lift up your eyes, for above you, where I am seated in that Heavenly place, I am ready to reveal to you what you could not see even in the year that you have just completed.***

*“For one generation will begin to pass off their gift to another. When that happens, this generation will become a rearguard to those that are now moving on the front line. Get ready, for a movement has begun and Heaven has entered the earth realm and My people are beginning to move in a new way with revelation.*

*“There is a sound that I am bringing forth. For I have a people that will create the winds that are necessary to rearrange many events in the earth. **Watch for the rearrangement of events. Watch for that which couldn’t be bridged, to be bridged.** Watch for what could not be penetrated, to be opened up. Watch for that which was out of order, to be reordered. Bring forth the sounds into the earth that will cause some things to tumble, other things to be rebuilt, and some things to rise up and display the power that Heaven has not had displayed in the past season. Let Heaven be seen in the earth realm and let My people go forth in triumph.*

*“I have purchased right of ways in the earth realm, and those ways have not been pioneered before. But now I’m raising up a people and I’m giving them rights to ways that need to be opened up. Go! I have the deed to the right of way, and paved the way for many to come into a new place.”*

During this prophetic release I saw there was a salve being put upon the eyes of God’s people. He showed me that in the past there has been a discouragement that our eyes have seen, there has been a violence that our eyes have seen, and there has been an impurity that our eyes have seen. The Spirit of the Lord then continued, *“I’m bringing down the wind into the earth realm that’s stirring up the oil and the anointing to anoint the vision of My people tonight. **Judah is going first and the sound is creating a salve to heal the eyes of My people.** Some of you have a hard time erasing certain pictures that your eyes have seen. There’s an anointing tonight for healing of a deep memory based upon the reflection of what you have seen that was not aligned with My purpose. Allow the sound and your worship to heal your vision.”*

### **Starting the Year off with Worship – Conference Sets Now Available!**

Our three days of extended worship, revelation and activation at the Global Spheres Center in Corinth, Texas, on December 28-30, 2012, released a sound that pierced the heavens. When the sound of earth aligns with the will of heaven, the atmosphere changes and faith is activated in God's people. As we worshiped and responded to each message, our faith was stirred for the release of miracles and healings. Allow each of these sessions to draw you into a new place of expectation for the year ahead:

- **Barbara Yoder ... *Carrying the Shalom of God!***
- **Robert Heidler... *Understanding the Year of the Camel!***
- **Chuck Pierce and the GZI Worship Team ... *Ascending in Worship: Overthrowing Thrones of Iniquity!***
- **Ché Ahn ... *Moving from Faith to Faith: Let Healing Arise!***
- **Island Breeze ... *Worship Across the Pacific Islands: Loosing the Warrior Within You!***

As reflected in this series of messages, as you press into 2013 and beyond, purpose to establish an atmosphere of praise and worship in your environment where the Lord can arise and establish His presence. Then, join us in watching for the Lord to scatter His enemies, and for all the peoples to rejoice in His goodness.
