Dear Joyful Saints:

The three key words for the hour are: Excess, Access, and Breakthrough! I am so grateful for your ongoing prayers for this ministry and the assignment the Lord has given me to fulfill. I could not do this without you. Although there is much to do at the Global Spheres Center, this week I also am called to minister in Tennessee, Illinois and Michigan. I was just with [Judy and Jamie Jacobs](#), at The Dwelling Place. That was sovereign and I will write later.

We are now flying to Chicago where Thursday night I will be with a group of churches in Chicago for a [Feasts of Tabernacles Celebration](#), and on Friday and Saturday I will be with Apostle Barbara Yoder in Ann Arbor for the [Overtaken Worship Encounter Conference](#). Please pray for each of these gatherings, and for the release of the anointing and revelation that will help shift each region.

Daniel and Amber Receive Visa!

Thank you for praying for Daniel and Amber' s business visa. Earlier today the Ministry of Interior in Israel approved their visa! Once their paperwork is processed at the Israeli Counsel in New York City, they will be released to fly back to Israel. Presently, they are in New York City visiting Rebekah and Nathan. As soon as the Israeli Consulate finishes their paperwork, they will depart for Tel Aviv.

I have watched Daniel and Amber' s application process very closely, and have always felt that once they were established in Israel, we would see breakthrough here as well. Keep praying for our development here at the Global Spheres Center – for the favor and funding we need to move forward with our offices, the children' s wing, and the Global Prayer Tower. You can donate [online](#), by calling **1 (888) 965-1099** or **1 (940) 382-7231**, or sending a gift to **PO Box 1601, Denton TX 76202**.

Signs of Life!

I am always vigilant for the signs that the Lord brings across our path to provide us insight, direction and encouragement. One of our focuses for the Israel Prayer Garden was for each tribe to reflect the prophetic significance of that tribe and the corresponding Hebraic month. The tribe of Simeon is linked with the month of Av. One of the characteristics of that month is a time to press through the narrow place into an enlarged place. Since the butterfly emerging from a cocoon is the perfect example of this process, Pam selected plants which would attract butterflies. Now, the Garden is filled with monarch butterflies. I wish each of you could be here now to see the butterflies all across the Garden. For those who cannot, you can click [HERE](#) to

see a short video from the Garden. We are declaring that the oil of His Anointing will allow you to press through the narrow place and into the expanded place of His provision and glory!
