

Don't Miss Positioned for Advancement ...*Understanding the Tribes and Months: A Study of Redemptive Gathering and Timing!* Guests include Paul Wilbur and Chris Hayward!

Gaining a Hebraic understanding of timing and positioning is a real key for advancement. **We have set aside an entire weekend where we can study the significance of the tribes and months.** So many have shared how this teaching has unlocked their sense of timing and identity.

- *How do we become whole and get positioned for the "wars" ahead?*
- *How do we hear and move with sound and the Ark of His Presence?*
- *How do we get positioned for a wealth transfer?*
- *How do we relate to "The" land and "Our" land?*
- *How do we see the movement of the Great Commission in relation to the Lord of the Harvest?*

From a Biblical perspective, these are questions that we will attempt to answer as we take a look at the forming army and how God sees war, unity, timing, and positioning. As Believers, we are grafted into God's covenant plan with Abraham through Jesus Christ. Understanding the prophetic significance and the characteristics of the tribes of Israel is vital for gaining insight into prophetic fulfillment of our role in our territory. This helps us develop the Lord's redemptive plan and see a manifestation of His purposes in our territory.

Furthermore, studying the Hebrew months helps us receive prophetic understanding on how the Lord orders our steps throughout the year. What is the Rosh Chodesh blessing? Why do we celebrate Firstfruits? The understanding from one covenant to the next is key to continue moving in blessings. Since each month is designed by the Lord to release a blessing into our life, this gathering will help you learn how to move from blessing to blessing all year!

Robert Heidler and I will be teaching! ***Everyone who registers will receive a free copy of the book we are working to complete on the significance of the tribes and months!*** We will begin on the night of Friday, November 5 and meet all day Saturday, November 6.
