

***Unlocking A New Door of Hope!
Judah Goes First - Today at Noon!
Extending and Enlarging!***

Wednesday, October 30, 2013

Dear Hope-Filled Saints:

Beginning in November, we celebrate here at Glory of Zion. First we prepare to celebrate Hanukkah, and then we shift into the traditional celebration of the Lord Jesus Christ of Nazareth coming to earth. This week, we have begun preparing gifts for each one of you who are part of this ministry. Yesterday, Sylvia Sizemore gave an awesome word about this ministry. This prophecy will bring you HOPE! And if you were not able to join us on Sunday morning and hear the message the Lord gave me on ***“Unlocking a New Door of Hope!”*** please take the time to watch the free [webcast replay](#). When we open a new door of hope, then we can go through into a new realm of faith!

“I am extending the anointing in this place. My hand is extended to you. I am extending the anointing to draw it out to its full length, to build and increase the length and duration of that anointing. This anointing will extend over you like a covering. You will fight from this place of anointing. This anointing is extending out from Global Spheres and stretching across nations, connecting with others who have extended their hands to Me. You will be like a mighty army moving through the land. I have extended (stretched out and fully opened) the Door of Hope for your future. Every area where suppression has entered to block the flow of My anointing, you will blast through with your praise and worship warfare. I am like a mighty force in you and I will not be stopped, for I have extended My spirit of grace and mercy for you to be victorious against your enemies.”

Let the Next Generation Break Forth in Praise!

Earlier this week we received the following picture from Karry in East Dubuque, Illinois. Her 10-month-old granddaughter was entering worship via the webcast. May your worship be unlocked this week as you are renewed and revived!

Be Revived Anointing Oil, Candle and Atomizer

Revival is in earth's atmosphere! Because the anointing breaks the yoke, we sought the Lord on the ingredients needed for a revival fire anointing oil and candle. The first aspect of Revived is "awakening." We use costmary, an original herb used by the colonists to stay alert and awake. The second ingredient we incorporate is pomegranate, representing healing, overcoming and prosperity. The third ingredient is "harvest." This is a mixture of the seven species of Israel which represents the fullness of unlocking the harvest fields. There is a boldness that God is bringing on His people to pray over others. We must come alive and be bold witnesses in this hour. Be revived and use this oil to "break the yoke" as you minister to others.

Roll-on Anointing Oil \$10

Candle: \$12

Special: Roll-on Anointing Oil + Candle: \$20

Atomizer: \$10
