

***Shut the Door and Keep Out the Devil!  
Your Roots Are Being Connected for the Blessings  
of Your Future!***

*Dear Connected Ones:*

Thank you for praying for our meetings in New Jersey, Delaware and Pennsylvania, the first three states. Our meetings were incredibly powerful as we declared the roots of our nation would awaken, and for a new door to open for the Government of God to spread throughout this nation. We flew home early Sunday morning and were able to join the Celebration Service and hear **Robert Heidler's** teaching on **"Shut the Door and Keep Out the Devil!"** In this Ayin Dalet year, we want to understand the importance of shutting doors that allow the enemy access to our lives. Robert's message gave such clear direction. Many of you may want to listen to the [webcast replay](#) several times as you seek the Lord over what doors need to be shut, so you are free to walk through the doors He desires for you to enter.

**Your Roots are Being Connected for the Blessings for Your Future!**

We received many responses from the "Window of Heaven" video we posted last week. We really seek the Lord over the plants and features we add to the Garden. Beyond their beauty, we want them to "speak" to each guest so they encounter Holy Spirit in a fresh way. The recent construction of the "Stump of Jesse" is another great example. During this time of connecting our roots, we knew that it was important to represent this divine connection by using the Israel Prayer Garden.

Isaiah 11:1-4 says, *"Out of the stump of David's family will grow a shoot— yes, a new Branch bearing fruit from the old root. And the Spirit of the LORD will rest on him— the Spirit of wisdom and understanding, the Spirit of counsel and might, the Spirit of knowledge and the fear*

*of the LORD. He will delight in obeying the LORD. He will not judge by appearance nor make a decision based on hearsay. He will give justice to the poor and make fair decisions for the exploited. The earth will shake at the force of his word, and one breath from his mouth will destroy the wicked.”*

We take the stump of Jesse, and connect it to the Menorah, or the Sevenfold Spirit of God.

We then follow the Menorah all the way out to the Cross, and beyond. Even though Israel became a stump, that stump blossoms into the Lampstand of God, from nation to nation, throughout the world. Because of the Cross of our Messiah, the Lord Jesus Christ of Nazareth,

we now have access to the Sevenfold Spirit of God. In Revelation 3:1, the Bible says, “*And to the angel of the church in Sardis write, ‘These things says He who has the seven Spirits of God and the seven stars ...’*” No matter how you have had bad circumstances, been devastated or gone through trauma in your past, God has provided an example of you, a stump, coming back into full fruitfulness. In this time of connecting our roots, ask the Lord for your godly inheritance to come alive in a new way. Even if generations in your life did not access the blessings of God, ask the Spirit of God to unlock those blessings in your generation now.

### **Your Lampstand Can Come Alive in a New Way!**

Prior to starting our recent Judah Goes First Worship and Prayer Watch, I walked from the Garden to the Tabernacle to the Prayer Tower to explain the purpose of our night watch and to carry the anointing from the Garden into all of our activities. You can click [HERE](#) to watch an eight minute highlight video. This is a time to come alive in a new way! I declare that as you worship in a new way, you will see your enemies exposed!

Blessings,
