

***Not Too Late to Join us for Crossing Over
into the New Day!***

December 31, 2011

Dear Celebrating Saints:

These last two days at the Global Spheres Center have been simply amazing. The revelation and impartation is continuing to build from session to session. Our opening session with ***Dutch Sheets*** set the tone for ***Crossing Over into the New Day*** as he shared on the ***Dual Role of Ecclesia***. I have never heard such a clear presentation of the Church's call to both nurture as well as govern. Each speaker continued to build from there, with ***Peter Wagner*** sharing on the New Apostolic Reformation, ***Robert Heidler*** teaching on the importance of Bethel for this year, ***Alemu Beeftu*** exhorting us on what mantle we will wear, and ***Jacqueline Del Rosario*** on changing gears to cross over into the new. And then last night was ***Cindy Jacobs*** – oh my! For everyone entering in last night, including those on the web, we prepared a miracle handkerchief to wave and use throughout the year. What an anointing for miracles!

Today we are looking forward to hearing from ***Joseph Askins, Bobby Conner, and Sheryl Price***. This evening will be a dynamic time when ***Eddie James*** and his 40 member team minister evangelistically in song, dance and testimony. This will be an incredible way to close out 2011, so I hope many of you will join us onsite or by webcast. Remember, there is no cost to attend or webcast.

Tomorrow (Sunday) morning I will be joining ***Mary Glazier*** in our closing session. Our present 100 Day Prayer Focus was actually birthed in Alaska (where Mary is from), and you will not want to miss what she has to share on how the Spirit of the Lord is transforming that state.

At this time, you can pre-order the conference CD or DVD set for only \$45 (regularly \$75). These are the types of messages that you will want to listen to again and again.
