

15 Minute Messages to Help YOU Celebrate Your Ending and Beginning!

The meetings in Oklahoma City on Sunday and Monday with Dr. John Benefiel and the Heartland Apostolic Prayer Network were awesome. Mike and Cindy Jacobs with the Reformation Prayer Network were also with us. There was an incredible synergy in ministry! I am so grateful for each ministry that is working to see the heart of our nation changed and transformed. I love to see the Triumphant Reserve that is mobilizing from state to state to state.

While in Oklahoma City, I shared on the significance of Haggai for this season. As a staff and Body, we have been studying this book. *Haggai was a restoration prophet*. He called the people to complete what they had begun! Haggai means “festal” or “to be festive.” In this season, Haggai is the perfect book to read to understand timing, restoration, and celebration. This is the best book to look at how a person or group got moving in God’s purpose, got sidetracked because of intense warfare, and then received the call to pick up and get moving again!

In the process of studying Haggai, I realized there were wonderful messages daily coming from people, young and old, here at Glory of Zion. We have already posted video teachings from ***Linus Vaughn, Linda Heidler and John Dickson***. Linus’ teaching on “***Consider Your Ways!***” was awesome. **Use these teachings as daily devotions. They are approximately 15 minutes each.** I realize that many times we go from Sunday to Sunday in hearing a message from the Lord, so these short messages will help you “hear a word” during the week. Just go to our home page at www.gloryofzion.org and click the bullet on **God’s Messages from Glory!** ***Allen Faubion’s*** message on “***There is honey in the carcass!***” is just great. ***Janice Swinney*** has an incredible message and vision on how the “***Gifts of God are Synergizing to Accomplish His Plan for the Future!***” Tomorrow, ***Deborah DeGar*** will speak on “***Cry RESTORE!***”

I want to encourage you to go forward one book in the Bible and begin reading Zechariah. This Sunday at Glory of Zion, ***Justin Rana and Joseph Pierce*** will speak in the first service on Haggai. In the second service I will minister on Zechariah: “***What and HOW Are You Seeing?***”

The Ark is Moving: Be Mobilized for War!

When the Spirit of God is moving, how will we choose to move with His presence? *The Ark is Moving: Be Mobilized for War* was our first Global Spheres gathering, and called us to follow in a new way. This is a time that we must order and align as a faith-filled troop that can follow a course of victory and triumph. Speakers included *Cindy Trimm, Peter Wagner, Barbara Yoder, Paul Zink, and Chuck Pierce*. Remember, you are a carrier of the God's Ark. In this season of apostolic realignment, allow His glory to be seen through you as you follow His Spirit in the season ahead!

Leaving the Narrow Place To See the King in the Field

This was a unique Firstfruits Weekend Gathering where we focused on the Rosh Chodesh blessing for Elul, breaking the power of fragmentation, and celebrated Peter Wagner's 80th birthday. On Friday night, *Robert Heidler* shared how the Lord designed the Hebraic month of Elul as a time to meet Him in our "field." If we are willing to seek Him, He will show Himself strong in whatever circumstance we may be. Saturday morning was led by *Chuck D. Pierce* and focused on "Breaking the Power of Fragmentation." He shared how God has designed a cycle of life for each of us, and how the enemy longs to traumatize our development so portions of our soul are fragmented and never develop fully. Our morning concluded with questions on how to determine if one is fragmented, and a time of healing spirit, soul, and body.

On Sunday morning, *Dr. Peter Wagner* provided an incredible example of apostolic transference of authority as he set in John Kelly as his successor in the International Coalition of Apostles, and Chuck Pierce as the recipient of the inheritance of Global Harvest Ministries. In the second service, Peter went on to share various stories from his and Doris' life. Highlights from the "Birthday Bash" for Peter's 80th birthday are also included in this set. If you are longing to leave behind your wounds from the past season and move into the season ahead in wholeness, then this set will be a great encouragement to you!

Understanding the Dire Straits and Making it Through Your Narrow Place

Understanding the Dire Straits and Making it Through Your Narrow Place was an incredible Firstfruits Weekend Gathering where we focused on making it through the narrow place that would block us from advancing. During our time together, the Spirit of the Lord spoke very clearly regarding the "dire straits" we are to pass through. *Robert Heidler* began by teaching on "Making It Through the Narrow Place". *Chuck Pierce* continued by sharing on "Developing Your Testimony: Pass Through Your Dire Strait!" Robert went on to share on "How to Triumph in the Month of Av!" as we celebrated the Hebraic blessing associated with this high point or low point month. On Sunday morning, *Rabbi Jan Rosenberg* taught on "Don't Avoid God's Detour on Your Path!" Finally, Robert Heidler and Chuck Pierce team taught on "Dealing with the Flesh to Come into the Spirit!"

You can make it through your narrow places ahead! Do not listen to carnal desires that would lead you on a destructive path or hinder you from moving forward. Rather, listen to God to gain understanding on your place of transition so you make it through your narrow place and into your enlarged boundaries of His blessing.

This will be recognized as one of the most foundational gatherings we have ever hosted. One of the pieces of our armor is the Breastplate of Righteousness. By understanding timing and the redemptive quality of the 12 tribes, you understand your breastplate. You are the righteousness of God in Christ Jesus. However, you have to know how to be righteous. Our understanding of the significance of redemptive gathering and timing has grown greatly since we first taught on the significance of the tribes and months nearly five years ago in the Issachar School.
