

***Passing Over to our Future!
Resurrection Sunday Sunrise Service!***

Saturday, March 30, 2013

Dear Saints on the move:

This has been an incredible weekend – the worship, the anointing, the ministry, the revelation, and the prophetic release have been amazing! Each speaker has propelled us forward on the bridge to increase and enlargement. Nearly 2,000 are here at the Global Spheres Center and many times more from dozens of nations are joining us by webcast. This is our time to cross over into our future! Below are just a few pictures from our Passover Celebration.

If you have not been able to join us, you can still join us tonight at 7 PM (CDT). Johnny Enlow will be ministering, and I believe his message will help set the stage for how we advance in the season ahead. Go to the Glory of Zion [website](#) for more details including a [conference schedule](#).

Let Your Praise Break Forth at Sunrise!

All of you in the region are welcome to join us tomorrow morning for our **Resurrection Sunday**

Sunrise Service in the Garden area at **6:45 AM**. This will be an incredible time to break open the day and celebrate our victory over death, hell and the grave. We will webcast this service so anyone can join in. Afterwards, there will be baptisms. Everyone is also welcome to linger in the Garden as well as fellowship with others over coffee, juice and snacks in the Arbor.

Then, at 9 AM, we will pull together for our **Celebration Service** to conclude our weekend. I am expecting the Lord to meet us powerfully. If you have friends, family members or neighbors who need to receive “Good News,” invite them to join you – onsite or by [webcast](#). We are declaring the power of the Blood of the Lamb is powerful to save!

Blessings,

Chuck D. Pierce
