

Sowing into Israel: Ministry to Widows and Orphans

Wednesday, April 20, 2012

Dear Friends of Israel:

I love the picture Daniel and Amber sent from Israel this morning. As you may remember, they have been helping minister to widows and orphans in Israel. (You can click [HERE](#) for a recent update where they share about this work.) This is something I believe is very near to God's heart, and I am so grateful they feel the same way. What you see below is this week's grocery bill for the widows and orphans they are assisting. We are grateful for those who have already sowed into this mission.

If you would like to give towards our work in Israel and the ministry to widows and orphans that Daniel and Amber are helping facilitate, you can donate online by clicking [HERE](#) (and designating your gift for Israel) or by calling (888) 965-1099 or (940) 382-7231. This is just one of the ways we seek to bless Israel.

Now Available: Generation of Promise Anointing Oil!

I am also grateful for the new anointing oil, *Generation of Promise*, that Amber helped develop for our Passover Celebration. Based on the promises found in Joel 2, Amber felt led to combine milk, honey and almond with olive oil to produce the most amazing fragrance. When Justin Rana, our Sound and Media Director as well as one of our worship leaders, brought this anointing oil home, his not-quite-3 year old daughter specifically requested this oil at bedtime. She said, “Daddy, I need the new oil before I go to sleep!” Since that time, she consistently wants to be anointed with “Generation of Promise” before going to sleep each night. When you apply this oil, declare that what the locusts have eaten will be restored, and that your sons and daughters will prophesy!

This anointing oil is now available through our webstore. You can also purchase it by calling our office at **888-965-1099** or **940-382-7231**.

Blessings,
Chuck D. Pierce

A Way to Wear the Season Ahead!

Promised Land Provision Pendant *designed by Linda Heidler*

In Deuteronomy 8:7-10, God said the Promised Land would produce wheat, barley, grapes, figs, pomegranates, olives (for oil) and honey (date syrup) as bountiful provision. Israel entered the Promised Land at Passover. On the day after Passover, they had their first taste of the fruit of the land and then the manna ceased to fall. They came to the end of their wilderness provision and began to enjoy their Promised Land Provision. This pendant beautifully pictures all seven of the species God gave as His Promised Land Provision. Out of the seven species, all multiplication

comes. When you wear this sterling silver pendant manufactured in Israel, declare that Holy Spirit will help you multiply!

Special: \$25 (reg. \$30)

Pomegranate Earrings *designed by Linda Heidler*

The pomegranate pictures delicious provision, healing and the blessing of future generations. These sterling silver earrings manufactured in Israel take the pomegranate of the Promised Land Provision pendant to represent God's gracious provision for us as well as our children after us.
