Dear Watching Saints:

I believe all of us have followed the tragedy of the bombing at the Boston Marathon earlier this week, and are praying for those whose lives have been irrevocably changed. After this, last night there was a large explosion at a fertilizer plant in West, Texas.

In April 2011, I travelled up the East Coast for a series of meetings. As I was flying in (to New Jersey) I began to pray for Boston. On April 12, 2011, the Lord began to speak the following: ***“Boston is on My radar. Not only will there be explosions in Boston, I say My Spirit will come again and explode in that city! I say prepare the places for My explosions are to come. For I will explode My presence in Boston, and I will move from there to overtake New Hampshire and Maine. Get ready--an explosion of My Spirit is coming--but watch the signs from the explosion (in the natural) and be ready to move. Out of that explosion, from Maine (to all other states in New England) you will see every state--every original state--break its rebellion cord against Me. For these states have rebelled against Me, but now they will realign!”***

We are now processing this prophetic word and asking exactly what it means for our nation. On July 12, 2012, Tiffany Smith and I began to prophesy about the explosions to come. We must remember that God does nothing without first revealing it to His prophets. Pray now! Explosions are happening!

Come to the Shabbat Center this Friday Night! What Path Will You Choose?

Tomorrow night we are going to have a wonderful time of food, music and entertainment in the Shabbat Center. I hope many of you will be able to join us as we thank the Lord for the week that is closing, and enter into the wholeness and opportunity of a new week. There will be coffee and espresso drinks as people arrive, and a time to light the Shabbat candles and release the blessings associated with Shabbat. There will be blues music by *Ethan Pierce and the E Street Band*, as well as a skit by *Jonathan Dickson* on serving two masters, followed by a great time of discussion ... and more coffee and music and fellowship. We begin at 7 PM (CDT), and you are free to come and go as your schedule allows. We will also offer a [live webcast](#) for those who cannot join us tomorrow night in the Shabbat Center.

From Philadelphia to Africa – Global Spheres is Affecting the World!

I love to see how we are reaching out and making an impact not only here in north central Texas, but across our nation and the nations! This weekend we are hosting our second monthly gathering in Philadelphia. *John and Sheryl Price* will once again be anchoring these meetings which will include training, worship and ministry. If you are in the region or know of others in

the area, please be sure to invite them to the ***Master Charter School in Philadelphia*** this Saturday at 11:30 AM, located at 35 S. 4th Street, in the historic section of Philadelphia.

John and Sheryl share: “We are so excited to have special guest Pastor Bob Muncey and members of his awesome evangelistic team from Delaware to help train us for street evangelism, with a supernatural thrust. We will be sending out teams with him, after a time of training. We will also have a team of intercessors being trained to pray for those out and about. Pastor George Cunard from the metro Philadelphia area will also be sharing what God is speaking to his heart about Philadelphia, at this time. Worship will be led by the His Hands Worship Team, and we are expecting God to meet us in a tremendous way. Join with us as we worship, pray and minister in Philadelphia! God is moving and using all of us to prepare the way for His glory coming to Philadelphia and the surrounding area!

Africa-The Glory is Spreading!

We have been focusing on Asia and Africa this year. Your giving and prayers are breaking us through in Africa. So far we have visited the Democratic Republic of Congo and Zambia, and will soon travel to Chad, Kenya and Nigeria. Here is a very brief highlight presented by Dr. Alemu Beeftu on the Global Spheres Apostolic Network Gathering in Zambia.

“I departed on March 19th for Zambia, to speak at Global Spheres Apostolic Network for Africa. The meeting took place in Kitwe, Zambia March 22-23. The gathering was to establish Global Spheres Apostolic Network, as well as preparing Zambia Christian leaders for the Year of Jubilee. Apostle Kure Emmanuel spoke on the Year of Jubilee for Zambia and explained the need for apostolic network through Global Spheres. His message was very powerful and prophetic for Zambia. He explained very clearly what Global Spheres Apostolic Network is and his roll in organizing such a network. Apostle Kure’s message prepared the way for me to speak on the fire of God that we need in Africa.”

“I spoke on the Elijah generation who are willing to restore the altar in churches in Africa, both for the fire of revival and the raining of God’s blessings. The focus of my message was to call on leaders to step out through this network, to pay the price to bring back the glory of God to the churches of Africa, and also to be able to host His presence. It was a very powerful time. At the end, Apostle Kure and I prayed for leaders who signed up to be a part of Global Spheres Apostolic Network in Africa.”

Personal Observation----*I am very excited about the potential of Global Spheres Apostolic Network in Africa. I strongly feel that this is a very special season for Africa. The organization, Africa Union, is preparing to celebrate the Year of Jubilee. Therefore, what Apostle Kure is*

doing in building an apostolic network is very timely and important. Apostle Kure is wonderful man of God to work with. I like his heart, commitment and passion to make a difference in the kingdom of God in Africa. I enjoyed very much ministering with him and getting to know him. If we do this with the guidance of the Holy Spirit, we can make a greater impact on Christian leadership in Africa. In my opinion, in order to do this well, we need to do the following:

- *Continue establishing Global Spheres Apostolic Network by identifying committed Christian leaders to bring much needed transformation to the Body of Christ and advancing the kingdom of God in Africa.*
- *Provide necessary training to produce “Transformed Leaders For the Purpose of Transforming Leadership” for those who are and will be a part of the network. Without focused training, it will become event oriented, instead of a movement that will enhance kingdom work in Africa. Therefore, what I believe we need at this stage are purposeful gatherings, even more than network gatherings, to have a lasting impact.*
