

## ***Tonight's Ministry Training: "Dream Recall ... Hearing Revelation From Your Dreams!"***

Wednesday, April 2, 2014

*Dear Glory Movers:*

This past weekend was just incredible. The overall word was this is a season of **Glory Change!** Ask the Lord about the changes coming into your life. Can you receive a new move of His Glory? Below is a prophetic word that came forth Sunday morning. Also notice the picture reflecting the “dragon storms” moving across the United States when this word was being given.

*“This is not the same as you’ve seen in the past. This is not the same as what you’ve asked for in other seasons. **This is a different Glory, a Glory change that I’m bringing into the land!** You will shudder at the changes that are on the way in your land and in other lands and with other people! For this is a time that the blood that runs deep will now be sanctified. This is a time that My Spirit will go deeper than I have gone in the past. For this is a time of birthing what is new, but yet bringing forth that which is old, and treasures will erupt! Treasures will erupt! Treasures will erupt! I will bring forth what has not been seen, and I will cause your gifts to come alive in ways they’ve never come alive. You will feel the shuddering birthing pains within you, and from that you will bring to birth the change that is necessary for you to enter into this season.*

***“So know this: dragons are on the move, and even the Great Dragon is now mounting up. Nations that will align are now aligning. So watch carefully and look deep into the circumstances around you. For these are days of great change. Watch the signs on your road for your road is now changing. New opportunities are coming. Watch now, for I will realign your path!”***

### **Ministry Training Tonight: “Dream Recall!”**

I have really enjoyed our **Harvest Ministry Training Sessions**. Last week I was surprised at how many people raised their hands when I asked if anyone had difficulty remembering their dreams. Dreams are an important way that the Lord communicates with us. He is very creative, and we never want an avenue of revelation blocked. **Barbie Breathitt** is one of the best teachers there is, on dream interpretation. Therefore, this evening at 7 PM, we have invited Barbie to share on **“Dream Recall: Hearing Revelation From Your Dreams!”** This will be a key opportunity for your dream life to be awakened. Even if you already remember your dreams, you will not want to miss the time of activation for interpretation and hearing all that God would be speaking. Beginning at 6 PM, the Arbor will be open for those who would like to purchase snacks or a light dinner.

### **Wednesday Noon Kingdom Force Institute Prophetic Worship**

Today at noon we hosted a special time of worship led by James Vincent. When we worship the Lord in spirit and in truth, we position ourselves to hear His voice in a new way. I partnered with him for this time of prophetic release. If you were not able to join us today, you can watch the [webcast replay](#) through next Tuesday.

## **Wonderful Books to Help You Hear the LORD in your Dreams!**

**When God Speaks** by *Chuck D. Pierce and Rebecca Wagner Sytsema*

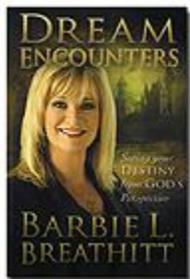

A revelation handbook for your Bible! This is a great book which condenses much of the teaching in larger books. Learn how the Lord continues to speak to us today, and how we can receive the revelation He is desiring to release to us. The appendix on dreams and symbols is so helpful. This book includes chapters on:

*How to receive, test and respond to your prophetic word;*  
*How to walk in revelation; and*  
*How to hear and interpret dreams and visions.*

**Special: \$7** (regularly \$10)

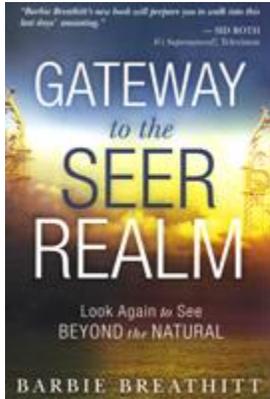

**Dream Encounters** by *Barbie Breathitt*

Barbie Breathitt has tapped into a dimension of revelation that needed to be heard. Not only is she a wonderful minister of supernatural truth, but she has disciplined herself to learn a different language - not Spanish, Latin, German, Finnish or Swahili, but a language beyond earth's peoples' languages. She has allowed the Spirit of God to teach her His dream language. *Dream Encounters* is a comprehensive, enlightening and practical book. The way Barbie analyzes and presents God's revelatory communication patterns, symbols, and expressions will help anyone better understand the One who loves them, made them, and longs to communicate to them for His pleasure and their fulfillment. This book will become a timeless piece and treasure to help generations better communicate with a God who knows and has the best in mind for the earth.

[Dreams and Visions](#) by Jane Hamon

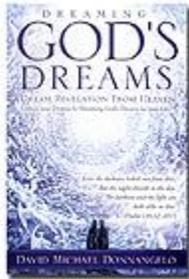

As the Holy Spirit is poured out in great measure on today's Church, we should anticipate God speaking to us through dreams and visions. With illustrative stories from Scripture and from her

own life, Jane Hamon has written this no-nonsense guide to the meaning, purpose and significance of dreams in our lives. She deals with how to interpret our dreams; how to know when a dream is from God; how to recognize false messages in dreams; what to do when your dream contains a warning; and more.

**Dreaming God's Dreams** by David Donnangelo

Acts 2:17 says, "And it shall be in the last days, saith God, I will pour forth of my Spirit upon all flesh: And your sons and your daughters shall prophesy, And your young men shall see visions, and your old men shall dream dreams." (ASV). There has never been a greater time for God's people to put aside their petty religious insanities and "wake up" to hear "His" voice, whether it comes in the explosive eruption of a volcano, a clap of thunder, or a whisper in your ear in the stillness of the night. Inside the cover of this book are essential ingredients to hear His voice in the quiet of the night. The WORD says: "and the sheep follow him: for they know his voice" (John 10:4, ASV). Do you know His voice? Perhaps it's time we take the principles found within this book and learn to recognize all the ways that "He" can, and is speaking to us.
