

Passing Over into Your Promise! Resurrection Sunday Sunrise Service!

Tuesday, April 3, 2012

Dear Promise Pursuers:

Biblically, this is one of the most important times of the year when we celebrate our redemption and deliverance by the power of the blood. Click [HERE](#) to watch a recent video where I share more on the importance of this gathering and how it launches us forward into Resurrection Power!

There is **no charge** to attend us this week for our Passover Celebration, and there are still seats available. Pre-registration is now closed, but you can still register onsite on Thursday beginning at 5:30 PM. If you cannot join us onsite, please make plans to invite others to your home or gathering place to connect by webcast. There is **no charge to webcast**, and you will register when you sign on to the live webcast. Let this Passover be a time when you are connected to this house so you can begin to stake your claim in a new way!

Everyone is also welcome to join us on Sunday morning for a **Resurrection Sunday Sunrise Service** in the Garden area at 6:30 AM. This will be an incredible time to break open the day and celebrate our victory over death, hell and the grave. Afterwards, there will be baptisms outside in the Garden. Call the office at (940) 382-7231 if you would like to be baptized. Everyone is also welcome to linger in the Garden as well as fellowship with others over coffee, juice and snacks on Solomon's Porch.

We are looking forward to hosting many of you this weekend. Our team has done an incredible job preparing the Global Spheres Center – both inside and out. We have just completed the lower level of the Prayer Tower, and Pam's crew is busy in the Gardens planting hundreds of flowers and preparing for the growing season ahead. The transformation that has gone on here in the last year is truly unbelievable, and we are so grateful for all of you have sowed into this venture.

Warring and Worshiping Under an Open Heaven!

The last nine days we've had an incredible troop coming together each morning at 6 AM in the Prayer Tower to help us set the atmosphere for Passover. One of the aspects Anne Tate and others have been declaring is that new mantles are being released at this time. I fully believe we are going to cross over wearing new mantles! Deborah DeGar shared the following word:

“Mantles are coming down as you cross over. Some are natural abilities and some are supernatural giftings. You will only know that you have received them because you will simply realize that you are now operating in them.

“They will include things that you have never sought after, but I know that they must now be activated because of where your destiny is about to take you. Do not question why (you have received them) but just continue to sharpen your ability to use them skillfully. Some will come from your natural family bloodline who have passed on, and for some they will come from great spiritual leaders who have passed on. But they are needed for this time and you must begin to wear them.

“Do not resist what I am doing and shrink back in fear or intimidation because of past history, for I am God and I know what I am doing. You are well able to wear what I am clothing upon you even though I have held them back for a time such as this.”

Declare that you are being clothed in a new way, and that you will not cling to an old mantle while the Lord is dressing you to PASS OVER into Resurrection Power!

Reframing Your Vision and Developing New Trade Strategies by *Chuck D. Pierce and Lori Kooiman*

Reframing our vision is one of the most important concepts to understand in trading as well as in life. If we do not understand how framing can limit or filter what we perceive, then we will not correctly assess the boundaries and opportunities available to prosper in new ways. Foundational insights and three core strategies of trading were also discussed in this class. We must remember that trading does not only pertain to the stock market, but to any exchange of service, skills or resources. Topics covered in this Zebulun School course were:

- Reframing Your Vision
- Foundational Insights into Trading
- Three Core Strategies of Trading

Special: \$27.50 (regularly \$55) for CD or DVD set
