Receive the Issachar Anointing!

Friday, April 13, 2018

Dear Celebrating Ones:

I am looking forward to this Sunday's Firstfruits Celebration for the Hebraic month of Iyar, our Issachar month. When we gather at the head of each month to worship and offer our best to the Lord, we gain access to revelation for the entire month ahead. **In this season of "going beyond", we want to not only understand the Issachar anointing, but be activated and receive the Issachar anointing!**

We will actually begin at **7:30 AM** on Sunday morning with ***worship and prophetic declaration*** to establish the atmosphere for a day presenting our first and best.

During our ***Breakthrough Revelation Service*** at **8:00 AM**, we will shift to our next expression of sound and movement before ***John Dickson*** teaches on **Developing a Foundation for Apostolic Worship!** There will also be **free breakfast** in the Arbor as you fellowship between services.

Then at **9:30 AM**, I look forward to leading our **Special Firstfruits Celebration for Iyar**. This month is linked with the tribe of Issachar. Therefore, I not only want to share about the significance of this hinge (or *vav*) month that connects Passover with Pentecost, but also help each of you receive the Issachar anointing! Come with an expectancy to be set in time to go beyond, all month

long.

Be sure to participate in this time of rejoicing and activation that will help unlock your month ahead!

[Establishing a New Foundation in Germany!](#)

Last week we sent Anne Tate and Janice Swinney to participate in the commissioning of a new apostolic center in Germany. When we send teams out, I always watch the news for how the atmosphere has changed as a result of completing our assignments. At the conclusion of their meeting last Sunday, the news reported the removal of a World War II-era bomb recently discovered in western Germany. More than 26,000 people were asked to leave their homes, two hospitals, a university, and several nursing homes for specialists to remove this potential threat. In this *ayin* (70) season, this 70+ year old bomb's removal is a sign of how Germany's foundation is being established in a new way. In this Issachar month, I'm declaring you are emerging from seasons of captivity and aligning new and fresh with the liberty God has for you and your nation!

Blessings,

Chuck D. Pierce
