Dear Rising Reserve:

This has been a momentous week here at the Global Spheres Center as we literally fielded thousands of calls from those of you desiring a prophetic word on the 9th of Av. Our phone circuits were overwhelmed, and I know that many of you called repeatedly trying to get through. One of the primary functions of prophecy is to **encourage**. We do NOT want any of you to be discouraged over blocked communications. Consequently, our staff has been taking calls each day this week and will continue to do so until everyone who desired a prophetic word can receive one! These words have been impacting and speaking life to all who need to press through a narrow place. We want to you to be encouraged at this time, so you are welcome to call 1-888-965-1099 or 1-940-382-7231 during office hours, 9 AM - 4 PM, CDT, Monday through Friday.

This Sunday at the Global Spheres Center: Angels—Here They Come!

I am looking forward to our Celebration Service this Sunday morning. Over the past few weeks we have been providing training on our discernment and sensing the presence and power of the Holy Spirit. We also have received prophetic exhortation on the presence and need to partner with the angelic. Therefore, this Sunday I have asked Robert Heidler to teach on **Angels: Understanding Their Role in Your Life**. We never want to resist the messengers the Lord sends to aid us. Whether you join us onsite or by webcast, begin to declare that the angels of God are welcome!

One Word!

One of the keys to successful daily living is to hear and embrace the word of the Lord for our lives. Sometimes this comes through prophecy; other times this comes through meditation in the written Word. Whatever means we receive the Lord's direction, it is imperative that we stand on His Word so that we are not swept away in times of uncertainty or trial. I encourage you to take just a couple of minutes to watch this recap video and know that ONE WORD can cause you to stand! Click [HERE](#) to watch now. Know that the power of your words can be the blessing that causes another to stand. Stand firm in the power of the Lord! And remember, one word can fell the enemy!

August 8 -11 ... A Time to Worship, See in a New Way, and Be Awakened for Revival!

There is a rich heritage in our nation of revival! We want to see the Spirit of God sweep through our homes, cities, states and nation and awaken a generation who has never known His power and love. This will be a wonderful time to release praises that can establish an atmosphere for the Lord to be enthroned in majesty. Everyone is invited to join us onsite or by webcast, and no registration is needed to enter in with us on Thursday night.

Key Resources to Help you Partner with God's Heavenly Army!

Understanding the Angelic Highway! *by Chuck D. Pierce and Robert Heidler*

The Lord is creating new highways between heaven and earth. We need to learn how to move with the cadence of heaven. As we do this, we intersect with the angelic assistance on our path. To advance in days ahead and establish the Lord's plans, we must learn to partner with the hosts of heaven in a new way. This Center for Advancement course teaches on the agreement that is needed between Heaven and Earth, and how partnering with the Lord's angelic army opens the way before us. The sessions for this course are:

- Understanding the Angelic Army! (Chuck Pierce)
- Summoning the Assisting Angels! (Robert Heidler)

Angels That Gather *by Paul Keith Davis*

God's Word emphasizes great spiritual activity in the latter-days. Jesus Himself said, "The end-of-the-age is the harvest," and promised to send an angelic host to co-labor with us in the mandate to see Him receive the full measure of His reward. There will be a harvest of promises, commissions, mantles, and a harvest of souls. This book provides a prophetic outline to help access this inheritance.

Inviting the Harvest Angels

This 5 CD set is from our Inviting the Harvest Angels Firstfruits Conference. From the revelation from Apostle John Eckhardt on how angels are related to covenant, to Robert Heidler's incredible teaching on the angelic, to Marty Cassady's testimony and prayer for the hosts of Heaven to join us, we were almost breathless at the level of anointing we experienced. Chuck Pierce then loosed the blessing of the Hebrew month Tammuz. You will want to listen to this set to shift your understanding to a new dimension of expectation.
