

***Be Empowered to Overcome Through Webcast
Replay!
Celebrate Firstfruits for Elul!***

Tuesday, August 13, 2013

Dear Empowered Saint:

What an incredible weekend of Revival Gatherings we just experienced here at the Global Spheres Center. **Empowered to Overcome** was a powerful time of “granted access” to press through blockades and break into a place of great joy. Revival is the restoring to life of your spirit man. This Holy Spirit action releases power to grasp the destined will of God for your life! The ministry of each of our speakers was very powerful, and served to jump start expectation, fervency and faith.

Beginning with our Special Worship Celebration with Paul Wilbur, to honor the God of Israel and throughout our time together, we worshiped extravagantly, cried out for the God of Elijah to manifest His power and glory, and entered into a portal where heaven and earth connected for the release of revelation, miracles, restoration and giving. Here are a just a few pictures of our time together, starting in the Israel Prayer Garden with Paul Wilbur. This is truly a “One New Man” picture!

I know that many of you were not able to join every session of our **Empowered to Overcome** weekend. Therefore, a gift I'd like to extend to each of you is the **FREE WEBCAST REPLAY** of **ALL** of our sessions. This provides you a wonderful opportunity to invite friends and family to join you to be revived. For some, this may take longer than others, but our prayer is that each of you will shake loose into great joy and revelation to prepare you for the season ahead.

All week long we are offering the webcast replay of Saturday night's Firstfruits Celebration. Be sure to find a time when you can enter in to the Rosh Chodesh blessing of Elul. Remember, this is a time when the KING is in the field!

Additionally, all week long we are offering the replay from Sunday morning when Jeff Jansen shared on Light, Sound and Thanksgiving for Breakthrough! This was a wild morning of worship, dance and pressing into a greater release of the restoration!

Then beginning on Thursday, we will replay other portions of our weekend:
