

***Get on the Train!  
Experiencing the Garden Through Sound!  
Wednesday Noon Worship!  
Perception Replays!***

Tuesday, August 20, 2013

*Dear Train Riders:*

Our Celebration Service on Sunday morning was just amazing. The worship and prophetic revelation exhorted us to ***“Get on the train!”*** I love when the Spirit of God helps us get in His timing so we can go beyond where we have been. Be sure to read the TRAIN word further below. This will get you moving! Early Sunday morning, He asked me ***“Are you confident that you have crossed the bridge from the past to the future?”*** He then led me to share on the examples of Abraham, the Hebrew, as well as Lot’s wife. If there are hindering areas in your life that you need to move beyond then be sure to watch the [webcast replay](#).

**Anticipating the Rain! Experience the Garden Through Sound!**

I love this video which captures the sounds of the Garden as we experience them here. We often share pictures of the Garden, but they don’t do justice of what is experienced onsite. We want you to enter in and experience the same sounds as we do. Tracey Liggett, our videographer, shares the following:

*“This past week we enjoyed some much needed rain (we are praying for more!) and cooler weather. In the hours before the first rainfall, I walked through the Garden with my camera; it was much quieter and more still than usual — almost as if the Garden was holding its breath in eager anticipation, just as we were.*

*“This little video includes footage of before, during and after the rain. It occurred to me when I was editing it that while you regularly get to experience the Garden with us through video, you rarely get to experience it through sound. With that in mind, I did not include music with this*

*particular video and instead left the audio that I captured, in hopes that you would enjoy the snippets of sounds of the Garden. Enjoy and be blessed!"*

### **Wednesday Noon Worship!**

This week we are taking a break from our regular Kingdom Force Institute class on Wednesday at noon. Instead, I will be leading an hour of worship and prophetic release. All of you are welcome to join us in the Prayer Tower at noon, either in person, or by webcast. Wherever you are, enter in and establish an altar of praise and thanksgiving as you worship the One True God! **Note that we will NOT have a worship gathering on Wednesday evening.** Instead, we will be just meeting at noon in the Prayer Tower.

### **Free Webcast Replay for Kingdom Force Institute Course on PERCEPTION!**

We received so much freedom on our one-day Kingdom Institute Force Course on Perception: How to See the Spirit of God! Beginning today we are offering each of those sessions as a free webcast replay. This provides you and others you may invite to join you to SEE in a new way.

Here is our replay schedule:

On TUESDAY, August 20:

**Robert Heidler ... *Perceiving God: Learning to See the Invisible!***

On WEDNESDAY, August 21:

**Barbie Breathitt ... *Perceiving the Cycle of Hiddenness and Manifestation!***

On THURSDAY, August 22:

**Chuck Pierce ... *Lessons from Elijah in Perceiving the God Who is Bigger than the Demon Opposing You!***

**Venner Alston ... *Perceiving God's Call on Your Life that will Overcome the Demonic Plan Set Against You!***

**Chuck Pierce ... *Preparing to Receive Revelation for the Year Ahead!***

I hope many of you will make it a point to join us by [webcast replay](#) and receive faith to break through into new dimensions of perceiving and enter into God's plan for your life. During the sessions, you may be stirred to give into the anointing being released. This is one of the ways to express your agreement with the Lord and to respond to Him with joy and gladness of heart. You can give [online](#), by calling our office at **1-888-965-1099** or **1-940-382-7231**, or by postal mailing your donation to **Glory of Zion, PO Box 1601, Denton TX 76202.**

### **GET ON THE TRAIN!!**

As we all heard this Sunday morning, this is a time to GET ON THE TRAIN! You can watch the webcast replay to see this exhortation. Back in September and October 2009, the Lord was also speaking to us about trains, and how faith is like a locomotive! I believe the prophetic exhortation we sent out on October 30, 2009 will still encourage you today!

### **My Faith Train is Forming!**

*"I am reordering the cars that have been moving in My procession. I am putting cars in different orders. I am creating My 'Faith Train'. Some who were on one track are being put in the right order on another track. This will cause My people to gain momentum. Some of you will hear your call in new way. You will say, 'Wait, that is not where I am going in the next season. That is not the destination I am getting to.' People get ready, there's a train coming!"*

***"You are a vital link in what is being formed. I am calling all cars that I need to make up this faith train, the storage cars and the freight cars that need to make up the faith train for the future. Those who have been lagging will connect and make up the caboose. I am reordering the engines that can pull. All you have to do is to connect and you will be pulled through and into the new.***

***"I am reforming My engine and giving new steam! There are some that I have risen up with a new energy. There are some that I am putting at the beginning. They cannot be lagging at the back because they have a faith energy that I have stored up for this season. I am getting them in place to pull others. Some have been used to being pulled, but I am reordering so they can pull others. A new faith train is moving in territories. Some are being positioned to bring supply. Some are being positioned to pull with new energy. I am connecting those who could not get on in the last season. A divine connecting is occurring and I am sending forth many to go out and get the disconnected.***

*"There are some intersections in your life that are dangerous in the days ahead. Now I am sending the sound down that will warn you at dangerous intersections. **Do not stop connecting because you are afraid of the dangerous intersections.** Don't stop flowing, but learn to hear the sound of caution so you can move through the intersection with faith."*

*"You are used to the sound of the shofar, for I've been training My people on the shofar. But now there is a faith train moving and you must be aware of the movement and the sound of faith that's moving in the earth realm. It is that sound of faith that you must connect into and know how to regard at your dangerous intersections. The sound of faith will let you know to pause and be still or to go forward with acceleration. It is the sound of faith that I am bringing in for My people at this time."*

Blessings,  
*Chuck D. Pierce*

### **Key Resource to Help you SEE in a New Way!**

**[Teaching What You See!](#)** by Chuck D. Pierce and Robert Heidler

Each day, we are bombarded by visual presentations of information – from billboards to commercials to news reports to text messages to business presentations to classroom instruction, just to name a few. So learning how to communicate effectively is more important than

ever. Our Center for Advancement class on “Teaching What You See” is a tremendous resource for anyone who trains or communicates to others, makes presentations in the business world, or would either like to begin teaching or teach better!

Worldwide, Robert Heidler is one of the Body of Christ’s best teachers. As he stated, “No one teaching the Word of God should ever make it boring!” By studying this course, you will not only gain a biblical understanding of teaching, but practical tools for using PowerPoint and other resources to make your communication more impacting. Chuck Pierce shares on our relationship to the Word of God, and how the Word produces a testimony. Sessions include:

1. *The Power of Apostolic Teaching: What Apostolic Teaching Accomplishes!*
