On to Bangkok!
Don't Miss this Sunday: Waiting Out the Drought!
(or Impatient for the Outpouring!)

Thursday, August 4, 2011

Dear Worshiping Warriors:

As we left Korea and the heavy rains they have been receiving, I thought of those who were at home in hot, dry Texas. Don't miss Robert Heidler's message this Sunday: **"Waiting Out the Drought!"** (or ***Impatient for the Outpouring!***) Remember, we now have one service at the Global Spheres Center in Corinth, and this begins on Sunday morning at 9:00 (CDT). I can't wait to watch the webcast from Kuala Lumpur, Malaysia! Continue to pray with us as we settle into the Global Spheres Center, evaluate everything, and meet and shift into the new identity for the future. We will be having several "Churches" each month during the week as well as our incredible Weekend Celebration Service on Sunday.

We have completed our meetings in Korea and are now in Bangkok, Thailand. Thank you so much for praying for the Wagner Leadership Institute Family Camp. This was a wonderful meeting with many leaders. The seminar had approximately 1,500. The meeting climaxed with an incredible stadium event with around 3,000. We had planned to anoint each person, but then a deluge occurred. Amazingly, the attendees did not run for cover but stayed in place and continued worshipping. I had all the attendees reach their hands to heaven and receive the anointing that was being sent. The Koreans loved the meeting! Be sure to sign on [Facebook](#) for additional photos.

Bangkok, Thailand

I am now ministering at the “[Worship as it is in Heaven](#)” Seminar. They have over 700 registered for this weekend. The Body of Christ in this nation has come so far in understanding and embracing the apostolic and prophetic. They continue to pray into the prophetic words released over this nation regarding worship. When we were in Thailand in August 2008, I prophesied, “*Get ready! You will open the gateway of the divine worship.*” When we returned in October 2010, I prophesied that “*the world would know Thailand as the Land of Worship.*” Consequently, Apostle Nimit saw the need to host a gathering that would focus on unlocking the true call to worship of the Thai people. I will be ministering four sessions, John Dickson will teach four sessions, and then John and Raymond will team teach two workshops.

On Saturday afternoon, Brian and I will fly on to **Kuala Lumpur, Malaysia** where we will minister at [Apostolic Prophetic Insight for the Nation](#). This gathering of pastors and leaders will be on Monday. As this nation is going through a transition period, they are seeking God's direction for the church and the nations. Prior to this I will minister twice on Sunday - first at Grace Assembly (a key anchor church pastored by Apostle Henry Pillai) and then at the dedication service of their new building that night. Please pray that the Lord would anoint us and strengthen us for this assignment.

May the Lord Open New Doors for You! Don't Miss this Incredible Set of CDs/DVDs!

here are few opportunities to go through new doors of opportunity – much less an entire weekend dedicated to stepping through doors of unparalleled faith, hope and increase. **The Open Door Meeting** was a historic time in Corinth, Texas when we did just that! Gathering in *The Tabernacle* for the first time as occupants of the Global Sphere Center, we walked through an open door to set our feet in a new, expanded place. The Glory of God and the Hosts of Heaven were awaiting us, and the resultant revelation and ministry surpassed where we have been before. Join with us to:

- * Honor the great champions of faith who ignited revivalist movements in ages past, and embrace the challenge in **this day** to walk through the “Open Door”—the revelation of Jesus Christ. (*Paul Keith Davis*)
- * Take on a warrior mentality to go through the open door for this season -- a door of hope and expectation (*Barbara Wentroble*)
- * Beware of the spirit of unbelief, take on a Caleb spirit by mixing the promise with faith, and be the door of hope illuminated with His glory. (*Paul Keith Davis*)
- * Hear a powerful testimony of miraculous healing to bring forth new life, confirmation to move to Israel, and divine connections for business and ministry in Israel. (*Daniel and Amber Pierce*)
- * See how the Lord's presence is connected with the witness of the Christian martyrs, and how we will be a people who know the Glory of God. (*Chuck D. Pierce*)
- * Honor the Native American nations whose flags will now be displayed in the Global Spheres Prayer Tower. (*Jean Steffenson and Mary Stoneroad*)
- * Celebrate the blessings associated with the Hebraic month of Av! This is a make it or break it time – requiring us to go through the eye of the needle and press through to reach our destiny. (*Robert Heidler*)
- * Better understand a New Order for a new season. (*Chuck Pierce*)

* Review the history of Glory of Zion and the prophetic words from Cindy Jacobs that directed us to Corinth (**Robert Heidler**)

* Sing afresh and anew the words of this classic rock song: “I can see clearly now...it’s gonna be a bright, bright sun-shiny day!”, and help us rehearse the new prophetic revelation spoken over the Global Spheres Center and how it will impact the community, state and nations. (**Cindy Jacobs**)

Get the DVD or CD set for the discounted price of **\$30** through the end of this week (*regularly \$45*). Click [here](#) to order you copy today or call **1-888-965-1099** or **1-940-382-7231**.

Blessings,
