

THE GREATNESS OF HIS GOVERNMENT WILL NOT END!

An update from Daniel and Amber Pierce

Monday, February 17, 2014

Dear Friends of Israel:

Thank you for continued prayers for Daniel and Amber in Israel. In less than two months they will be traveling to the United States to join us for our Passover Celebration on April 17-20. This is one of our major gatherings of the year, and a time to celebrate the “door” of deliverance and redemption that Jesus offered to all who will call on His name. As you can read below, Daniel has been studying the wonderful passage from Isaiah 6 which prophesied about the child and son that was given for our salvation. Rejoice that His Kingdom will never fail!

Blessings,

Chuck D. Pierce

January and February have been difficult months for our family! It seems like at least one person in our household has been sick for the last several months. Amber and Lily both came down with the flu, and Amber developed a secondary infection as well. Lily recovered from the flu only to come down with an ear infection that we are still treating as I write this letter.

When someone gets sick it tends to disrupt everything -- from missed school days to canceled social events. Sometimes it seems like there is not enough time in the day to accomplish simple tasks around the house. As a parent, you expect there will be times like this, but that is of little consolation when you look in the mirror at those extra gray hairs.

I think everyone in our family is finally on the mend, so please pray that the Lord would restore health to our home!

We are looking forward to our Passover trip in April and the opportunity to see family and friends back in the United States. Later this week we will be meeting with Barbara Yoder from Michigan for a time of ministry and

fellowship here in Jerusalem. It is always good to see familiar faces and hear what God is speaking to those who visit Israel.

God has been speaking to Amber about royalty and inheritance in the kingdom, and how our inheritance has already been secured. This morning, I was reading in Isaiah 9:6-7. I love this passage because this is not only one of the places where the coming of the Messiah is prophesied, but also speaks of God's throne being established and upheld.

For to us a child is born, to us a son is given, and the government will be on his shoulders. And he will be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace. Of the greatness of his government and peace there will be no end. He will reign on David's throne, and over his kingdom, establishing and upholding it with justice and righteousness from that time on and forever. The zeal of the Lord Almighty will accomplish this. (Isaiah 9:6-7)

As I read through these two verses, I can feel the zeal that the Lord has to see His throne established here in the earth. Righteousness and justice will be the result, and there will be no end to the greatness of His government and peace! God keeps reminding me that there is no end in His kingdom, and I believe that this is the key to unlocking our understanding of the way He sees our future and destiny. When new believers give their lives to the Lord, He opens their eyes so they can see that there is no end! God also began to show me how our inheritance is in the Holy Spirit; understanding that there is no end in His kingdom is what unlocks our faith and allows supernatural works of the Spirit to take place!

I look forward with great expectation as we continue to seek the Lord and hear His voice. I know that we have entered into a powerful move and we are watching as things change and shift in the land and in the Body at large! I want to see the miracles with my own eyes and be a part of everything God has planned for the Body of Messiah!

Blessings,

Daniel, Amber, Lily and Elijah Pierce
